Celebrating the Lectionary for Junior High 2012-2013: Supplemental Lectionary-Based Resource , Sunday Prayer for Catholics 2013 , Annual Review of the Sociology of Religion. Volume 4 (2013) ,2013-11-21 Prayer is a phenomenon which seems to be characteristic not only of participants in every religion but also men and women who do not identify with traditional religions It can be practised even by those who do not believe either in a God or transcendent force In this sense therefore we may assert that the prayer is a typically human activity that has accompanied the development of different civilizations over the course of the centuries Both the material issues of concrete daily life as well as more symbolic elements expressed through words gestures body positions and community celebration are brought together in the act of praying **Celebrating the Lectionary for High School 2012-2013: Supplemental Lectionary-Based Resource ,**
