c) Character Identification-Quotations: Choose which character is being identified in the following quotations.

- i) "A young girl swelled to the witness stand. As she raised her hand and swore that the evidence she gave would be the truth, the whole truth, and nothing but the truth so help her God, she seemed somehow fragile-looking, but when she sat facing us in the witness chair she became what she was, a thick-bodied girl accustomed to strenuous labor."
- ii) "His maddening superiority was unbearable these days. He didn't want to do anything but read and go off by himself. Still, everything he read he passed along to me, but with this difference: formerly, because he thought I'd like it; now, for my edification and instruction."
- iii) "She was all angles and bones; she was nearsighted; she squinted; her hand was wide as a bed slat and twice as hard. She was always ordering me out of the kitchen, asking me why I couldn't behave as well as Jem when she knew he was older, and calling me home when I wasn't ready to come. Our battles were epic and one-sided."
- iv) "If she was on the porch when we passed, we would be raked by her wrathful gaze, subjected to ruthless interrogation regarding our behavior, and given a melancholy prediction on what we would amount to when we grew up, which was always nothing."
- v) "Thus we came to know [him] as a pocket Merlin, whose head teemed with eccentric plans, strange longings, and quaint fancies."
- vi) "[He] was about six-and-a-half feet tall, judging from his tracks; he dined on raw squirrels and any cats he could catch, that's why his hands were bloodstained - if you ate an animal raw, you could never wash the blood off. There was a long jagged scar that ran across his face; what teeth he had were yellow and rotten; his eyes popped, and he drooled most of the time."

d) Describe the setting of the novel (time, place, and describe the place)

e) Who said it? Which character said—

- i) "I may not be much, Mr. Finch, but I'm still sheriff of Maycomb County and Bob Ewell fell on his knife."
- ii) "You never really understand a person until you consider things from his point of view—until you climb into his skin and walk around in it."
- iii) "Don't matter who they are, anybody sets foot in this house's yo' comp'ny and don't you let me catch you remarkin' on their ways like you was so high and mighty."
- iv) "You are too young to understand it ... but sometimes the Bible in the hand of one man is worse than a whiskey bottle in the hand of—oh, of your father."
- v) "I wanted you to see what real courage is, instead of getting the idea that courage is a man with a gun in his hand. It's when you know you're licked before you begin but you begin anyway and you see it through no matter what. You rarely win, but sometimes you do."
- vi) "I think I'm beginning to understand something. I think I'm beginning to understand why Boo Radley's stayed shut up in the house all this time. It's because he wants to stay inside."
- vii) "Neighbors bring food with death and flowers with sickness and little things in between. Boo was our neighbor. He gave us two soap dolls, a broken watch and chain, a pair of good-luck pennies, and our lives."
- viii) "I got somethin' to say an' then I ain't gonna say no more. That nigger yonder took advantage of me an' if you fine fancy gentlemen don't wanna do nothin' about it then you're all yellow stinkin' cowards, stinkin' cowards, the lot of you. Your fancy airs don't come to nothin' ..."
