**Family Member Character Letter for Court**

---

[Name]

My letter is May I please,

Your letter,

I am writing this letter on behalf of my [Relationship With The Accused] [Name Of The Accused] who is pleading guilty to the charge of [The Accusation].

Everyone in our family was shocked to hear the news. It came as a surprise for all of us that my [Relationship With The Accused] was ever be accused of such an act. My letter has always been very obedient and never caused any trouble that would put our family's name at risk.

[Name Of The Accused] teaches elementary school students every summer and continues to help in all of our social gatherings. My letter has been and has been playing them for a couple of years. Everyone in the school and community knows how talented and respected an individual my letter is. [Include Similar Details And Address Of The Person]

Sadly, this year has not been in our favor as one of our family members got sick. And [Name Of The Accused] has always been close to him. This is why my letter has been very obedient and very much in trouble a few years ago, especially the younger generations. And we believe my letter has been in trouble as a result of the trouble.

We assure you that this will be my letter and last accusation. And we respect the court's decision and believe that this will prove to be a life lesson for my letter.

Because it can affect my letter's employment prospects, we request the court to do what's best for a young and talented man as he is.

And if you have any further queries, feel free to contact me anytime.

Sincerely,

[Signature Of The Sender]

Henkin,2008-09-15

Americans commonly recognize television e mail and instant messaging as agents of pervasive cultural change But many of us may not realize that what we now call snail mail was once just as revolutionary As David M Henkin argues in *The Postal Age* a burgeoning postal network initiated major cultural shifts during the nineteenth century laying the foundation for the interconnectedness that now defines our ever evolving world of telecommunications This fascinating history traces these shifts from their beginnings in the mid 1800s when cheaper postage mass literacy and migration combined to make the long established postal service a more integral and viable part of everyday life With such dramatic events as the Civil War and the gold rush underscoring the importance and necessity of the post a surprisingly broad range of Americans male and female black and white native born and immigrant joined this postal network regularly interacting with distant locales before the existence of telephones or even the widespread use of telegraphy Drawing on original letters and diaries from the period as well as public discussions of the expanding postal system Henkin tells the story of how these Americans adjusted to a new world of long distance correspondence crowded post offices junk mail valentines and dead letters *The Postal Age* paints a vibrant picture of a society where possibilities proliferated for the kinds of personal and impersonal communications that we often associate with more recent historical periods In doing so it significantly increases our understanding of both antebellum America and our own chapter in the history of communications      *Israel Country Study Guide Volume 1 Strategic Information and Developments* IBP, Inc,2012-03-03 *Israel Country Study Guide Strategic Information and Developments Volume 1 Strategic Information and Developments*      **Israel Lobby in the United States Handbook Volume 1 Strategic Information, Organization, Regulations, Contacts** IBP, Inc.,2019-06-02 2011 Updated Reprint
