

Mechanical 5th Semester

New Model Answer 2023

Subject Name: Database Management System		Subject Code	Page
Important instructions to candidates			
<ol style="list-style-type: none"> The answer should be supported by the words and not a word for word as given in the model answer sheets. The model answer and the answer written by candidate may vary but the essence has to be within the understanding level of the candidate. The language should be in grammatical spelling form should not be given in roman numerals and symbols for subject English and communication skills. While answering figures, numbers may give credit for answers approximately indicated in brackets. The figure should be candidate's own model answer may vary. The number may give credit for any equivalent figure given. Candidate may be given marking for numerical problems. In some cases, the expected candidate values may vary and there may be some difference in the candidate's answers and model answer. In case of some questions credit may be given in judgement on part of examiner if otherwise answer found to be candidate's understanding. The programming language answers should not be given in any other language based on equivalent concept. It is not the policy decision of Maharashtra State Government, marking in English/Hindi and Marathi language is marked because it is important at this point in which passing/merit from students and staff will come at the end of the semester and not that any student dependent on the company in the end of the semester and not that the student and staff will come at the end of the semester.
