It give more importance to practical training involved by the Council in such a manner as may give the law student a much needed professional training and equipping them with adequate legal skill during the course of the study which they undergo.

Each and every law student should have an aptitude, knack and lust for acquiring knowledge and they should believe in hardwork, discipline and sincerity. Each student of law should engrave within himself or herself a solemn promise to bring laurel to legal profession.

Apart from academics, you should also make an effort to excel in various extra-curricular activities of the University and represent our Centre in all the activities. Let us make a commitment on this day to maintain a friendly and cordial relationship with each other and make this institute proud of being disciplined, punctual and giving in our best in all fields.
