WORSHIP PRIMER FOR PASTORS AND PLANNERS WHAT YOU WISH YOU LEARNED IN SCHOOL William D. Kirkwood, 2023-11-10 There has to be more to leading worship than what I've been doing That nagging thought drove William Kirkwood to develop this primer on worship for all lead pastors and worship planners who have wondered the same thing Most pastors come out of seminary with little training in worship yet are ultimately responsible for the worship life of their church Most worship planners leaders have musical and leadership skills but little theological background in worship Kirkwood brings his decades of worship leading experience and education from the Robert E Webber Institute for Worship Studies into the pages of this timely book He explores the biblical historical theological and cultural foundations of worship and brings them together with practical guidance on how to create vibrant worship services that facilitate a divine human interaction The primer is written for leaders in contemporary free churches traditional liturgical churches and charismatic Pentecostal churches Each chapter includes thoughtful exercises and questions to help in your own church context as well as recommended resources for further study

Pastoral Visitation Tyler C. Arnold, 2023-01-25 Christ comes to and through his people Many consider pastoral visitation antiquated and impractical People seem busier than ever and technology appears to trivialize personal contact As a result personal visits are often reserved only for the gravest of situations Tyler C Arnold argues that pastoral visitation is essential to the pastoral role In Scripture God visits his people to show his personal interest and concern This is seen most clearly in the incarnation Christ's ministry is one of presence But Jesus is not only an example of visitation ministry he is the embodiment of it And in visitation pastors and laypeople continue Jesus's ministry by bringing Christ to the individual in their very place of need Established in strong theological foundations and sensitive to contemporary concerns Pastoral Visitation exhorts pastors to return to this classic method of individual soul care
