A Sample Qualitative Research Proposal Written in the APA 6th Style

Flow: This sample proposal is based on a composite of past proposals, unrelated information, and references, and material I've included for illustrative purposes. It is based roughly on fairly standard research proposal I have drafted because there is no one set way of doing qualitative research proposal. Much of its design is based on the nature of the research, your preferences, and your decisions about how to describe or justify what it is you plan to accomplish. The material in this document was adapted primarily from a descriptive proposal created by Dr. Nancy Matthews. A template is not included in this sample proposal.
