Edgar Spencer
Marketing Director
QuickSync
Virginia Beach, VA 23450

Dear Edgar Spencer,

I hope this letter finds you well. I am writing on behalf of [Your Company Name] to discuss a potential sponsorship opportunity with QuickSync. We are excited about the possibility of supporting your club and believe a partnership would be beneficial for both parties.

[Your Company Name] is interested in providing sponsorship for the following:

Support Area	Details
Equipment and Uniforms	New uniforms and training gear for the team.
Event Organization	Assistance with organizing key events.
Travel Expenses	Coverage for travel to away games and tournaments.

In return, we would appreciate the following benefits:

Hilda K. Weisburg, Ruth Toor, 1985 Sports Law in the United States Matthew J. Mitten, 2017-06-20 Derived from the renowned multi volume International Encyclopaedia of Laws this practical analysis of sports law in the United States deals with the regulation of sports activity by both public authorities and private sports organizations The growing internationalization of sports inevitably increases the weight of global regulation yet each country maintains its own distinct regime of sports law and its own national and local sports organizations Sports law at a national or organizational level thus gains a growing relevance in comparative law The book describes and discusses both state created rules and autonomous self regulation regarding the variety of economic social commercial cultural and political aspects of sports activities Self regulation manifests itself in the form of by laws and encompasses organizational provisions disciplinary rules and rules of play However the trend towards more professionalism in sports and the growing economic social and cultural relevance of sports have prompted an increasing reliance on legal rules adopted by public authorities This form of regulation appears in a variety of legal areas including criminal law labour law commercial law tax law competition law and tort law and may vary following a particular type or sector of sport It is in this dual and overlapping context that such much publicized aspects as doping sponsoring and media and responsibility for injuries are legally measured This monograph fills a gap in the legal literature by giving academics practitioners sports organizations and policy makers access to sports law at this specific level Lawyers representing parties with interests in the United States will welcome this very useful guide and academics and researchers will appreciate its value in the study of comparative sports law *Daily Graphic* Sam Clegg, 1992-04-23
