

ACCESSORIES

Color Kinetics and City Theatrical have teamed up to develop a full line of accessories for popular Color Kinetics professional lighting products, including accessories for ColorBlaze™ 72, ColorBlaze® 48, ColorBlast® 12, ColorBlast® 6, ColorBurst® 6, ColorBurst 4 and ColorCast® 14. These accessories augment the capabilities of the lighting fixtures, and give the designer and consultant additional choices as to how the light from the fixture is controlled or dispersed. Nearly all of these accessories are available in either painted cold rolled steel for dry use, or aluminum for wet and damp use. Powder coat choices include black, white and bonded aluminum.

ACCESSORY HOLDERS

Accessory Holders screw to the side of the fixture and allow the user to insert a range of other accessories. Accessory Holders provide a secure mounting platform, prevent accessories from falling out if the unit is tipped or hung upside down, and block any stray spill light from the fixture. Accessory Holders are required for mounting any additional accessories to ColorBlaze, ColorBlast or ColorCast fixtures. Accessory holders can accommodate an assembly of accessories (i.e. lens and top hat). Accessory Holders are not required for ColorBurst fixtures.
