

Phoenix Police Department's Identity Theft Victim's Packet

Information and Instructions

This packet should be completed once you have contacted Phoenix Police Department and obtained a police report number related to your identity theft case. To obtain a police report number call Crime Stop at 602-262-6151. Please keep track of your report number as creditors, financial institutions and credit reporting agencies will ask for it.

My Phoenix Police Department Report is:

This packet is for you to keep and contains information to assist you in the correction of your credit and to help ensure that you are not responsible for the debts incurred by the identity thief. In addition, this packet includes information that will allow you to obtain financial records related to the fraudulent accounts and provide those records to law enforcement, without which we cannot conduct an investigation for prosecution. We recognize that some victims are only interested in the correction of their credit and do not necessarily wish for prosecution; therefore, we request that you only submit this packet to Phoenix Police Department if you desire prosecution. ***It is important to understand that in the event that a suspect is identified and arrested and the case proceeds to court, you as the victim would mostly likely be required to appear and testify in court.***

You will need to complete the dispute letters and provide us with necessary documentation before we can begin investigating your case for prosecution. Examples of the document evidence we need are on the last page of this packet. Without document evidence, we cannot begin the investigation. Please write your report number on copies of documents you send us. In identity theft cases it is difficult to identify the suspect(s) as they often use inaccurate information such as addresses and phone numbers. Frequently the investigator cannot find evidence to prove who actually used the victim's name and/or personal information over the phone or Internet. "" It is important to note that even if the suspect cannot be identified for prosecution, it will not affect your ability to correct the fraudulent accounts and remove them from your credit."" Furthermore, when you report your identity crime to the Phoenix Police Department, all of the relevant information from your case is entered into our database which will allow us to cross-reference your report with potential suspects who are involved in or arrested on other cases.

NOTE:

- If you suspect someone is using your personal information for employment and there is no evidence of other identity fraud, please see the section for contacting the Social Security Administration under Additional Useful Information. Do not contact the employer directly as they may warn the suspect employee.
- If your name and/or information is used by someone else to avoid a traffic ticket or any criminal prosecution, please contact the agency investigating the original crime. It may not be necessary to complete this packet.
