Soccer is a fast-moving, action-packed sport. It is one of the most popular sports in the world today. Soccer, which is technically known as "association football," was in fact the forerunner of modern football. Soccer was the only football-type game in the United States until American-style football became popular in the 1870s.

Therefore, researchers can benchmark the other polyacid and sulfonate polymers against self-crosslinking sulfonates. The self-addition, crosslinking reaction and highly sulfonated structures gallery will be compared with other sulfonated polymers.
