

Transition Reviewing and Editing Practice

1. Imagine having a pet who would follow your commands, protect you at all costs, and wag his tail when he sees you. 2. A dog is certainly man's best friend. 3. These quality combined make great pets; however, dog grooming is an important aspect if you are going to own a pup.

4. Grooming starts with a quality shampoo to eliminate fleas, dirt, and odor. 5. Cheap soaps can cause skin irritations for many breeds. 6. Be sure to choose a brand that does not contain chemicals that harm your pet. 7. A sturdy brush is required to remove knots and loose fur to ensure your playful pup does not shed. 8. This is especially helpful in reducing allergies that cause some owners to give up their furry friends. 9. Since dogs grow sharp quills, give durable clippers to create short, smooth coats, and your cute canine will not scratch surfaces. 10. Your hound should be able to hop on furniture, if allowed, without tearing up the upholstery.

11. Once you have washing and pruning your pooch down, your dog will be much healthier and ready to serve as your faithful friend.

1. Which transition word or phrase could best be added to the beginning of sentence 4?
