Praxis II Physical Education: Content and Design (0095) Exam ,2013 **Abstracts in Anthropology** ,1996

Quarterly References to journal articles miscellaneous papers and books arranged under sections on archaeology ethnology linguistics and physical anthropology Cross references Cross index *New case studies of openness in and beyond the language classroom* Anna Comas-Quinn, Ana Beaven, Barbara Sawhill, 2019-07-26 A follow up to the successful 2013 publication about OER and language teaching this book celebrates the many ways in which language teachers and learners around the globe are embracing the concept of openness in and beyond the language classroom Divided into three sections creating and using OERs working in open spaces and openness and teacher development these short practical case studies provide first hand information on how openness can facilitate language teaching and learning The editors hope it will inspire teachers to explore open tools practices and teacher development as part of their language teaching practice **Leading With Diversity, Equity and Inclusion** Joan Marques, Satinder Dhiman, 2022-06-17 This book guides managers and leaders toward greater insight and more deliberate practices in regards to diversity equity and inclusion addressing leadership operations and the educational environments The authors consider the qualities of awakened leadership as critical components for establishing and nurturing a diverse equitable and inclusive work environment The book argues that the only way destructive conflicts can be resolved on a lasting basis is through profound collaboration which can be embedded in performance structures by questioning biases and becoming aware of limiting mindsets and traditions that keep parts of society subjugated It offers a wide range of constructive approaches that lead to higher awareness thus better understanding and focus on stakeholders Finally it presents examples of diversity engendered issues and their resolutions from around the globe **Viewpoint-based Flexible Information System Architectures** Dmitri Valeri Panfilenko, 2021-06-07 Information system architecture ISA specification as a part of software engineering field has been an information systems research topic since the 60 s of the 20th century There have been manifold specification methodologies over the recent decades developed newly or adapted in order to target the domains of software modelling legacy systems steel production and automotive safety Still there exist considerable issues constituting the need for a flexible ISA development e g incomplete methodology for requirements in model driven architectures lacking qualitative methods for thorough definition and usage of viewpoints Currently existing methods for information system architecture specification usually devise the target architectures either addressing only a part of software life cycles or neglecting less structured information The method for flexible information system architectures FISA specification uses the viewpoint concept for mediating the domain expert and technical system levels The FISA method defines construction and application reference models based on the ANSI IEEE Standard 1471 2000 viewpoints with model transformations based on OMG Standard Model Driven Architecture MDA and four different approaches for ISA specification thus providing for flexibility both in construction and refactoring procedures The

development of FISA method has been based on a thorough analysis of the ISA specification method field and constructs a comprehensive procedure and reference engineering models for flexible ISA specification The genericity of the conceived construction and application procedure models of FISA allows for its usage not only in research but also in industry settings as presented on illustrative scenarios in steel manufacturing and automotive safety *Current Catalog* National Library of Medicine (U.S.),1983 First multi year cumulation covers six years 1965 70 *Family Life in Japan and Germany* Uta Meier-Gräwe,Miyoko Motozawa,Annette Schad-Seifert,2019-05-22 This volume addresses the family situation in Japan and Germany Gender segregated labor markets and precarious employment patterns bear detrimental consequences for the socioeconomic capacity to maintain family households and to have children By applying a gender sensitive approach this volume's focus is on the impact of family law family policy and family support measures Scholars from Japan and Germany examine differences and characteristics of social security legislation intergenerational support systems single parent families inequality among households and poverty situations local domestic and care service provision female labor market participation parental leave systems organization of child care domestic violence historical developments of housework as an institution and labor market policies **National Library of Medicine Current Catalog** National Library of Medicine (U.S.),1983 **AAR/SBL Annual Meeting Program** American Academy of Religion. Meeting,1991 *Vaccine Epidemic* Louise Kuo Habakus,Mary Holland,Kim Mack Rosenberg,2011-02-09 Public health officials state that vaccines are safe and effective but the truth is far more complicated Vaccination is a serious medical intervention that always carries the potential to injure and cause death as well as to prevent disease Coercive vaccination policies deprive people of free and informed consent the hallmark of ethical medicine Americans are increasingly concerned about vaccine safety and the right to make individual informed choices together with their healthcare practitioners Vaccine Epidemic focuses on the searing debate surrounding individual and parental vaccination choice in the United States Habakus Holland and Rosenberg edit and introduce a diverse array of interrelated topics concerning the explosive vaccine controversy including the ethics of vaccination mandates corrupting conflicts of interest in the national vaccine program and personal narratives of parents children and soldiers who have suffered vaccine injury Newly updated with additional chapters focusing on institutional scientific misconduct mandates for healthcare workers concerns about HPV vaccine development and the story behind the Supreme Court's recent vaccine decision Vaccine Epidemic remains the essential handbook for the vaccination choice movement and required reading for all people contemplating vaccination for themselves and their children
