

Prayers For A Flag-Raising Ceremony

Grace-prayers.com

Heavenly Father,

As we gather beneath the open sky to raise our nation's flag, we come before You with hearts full of gratitude and reverence. We recognize the symbol of unity, freedom, and sacrifice that this flag represents. Just as the psalmist declared in [Psalm 33:12](#), "Blessed is the nation whose God is the Lord, the people he chose for his inheritance."

Lord, we lift up this flag as a reminder of the countless lives that have been given to secure our freedoms. We're reminded of the words of Jesus in [John 15:13](#), "Greater love has no one than this: to lay down one's life for one's friends." We remember the sacrifices made by our soldiers, first responders, and citizens who have shown unwavering devotion to our land.

As this flag flutters in the wind, may it remind us of the diversity that enriches our nation. Just as the body of Christ is made up of many parts, so too is our country comprised of various backgrounds and cultures, as noted in [1 Corinthians 12:12-14](#). We pray that our unity will continue to grow stronger, bridging gaps and fostering understanding.

May this flag also remind us of our responsibility to be good stewards of the land You've entrusted to us. Your Word tells us in [Genesis 1:28](#), "God blessed them and said to them, 'Be fruitful and increase in number; fill the earth and subdue it.'" May we use our resources wisely, caring for the environment and leaving a legacy of beauty for generations to come.

Finally, Lord, we pray for Your divine protection over our nation. Just as the psalmist declared in Psalm 20:7, "Some trust in chariots and some in horses, but we trust in the name of the Lord our God," may we always place our ultimate trust in You. May this flag-raising ceremony serve as a reminder of Your providence and grace.

In the name of Jesus, the Prince of Peace, we lift up these prayers.

Amen.

Flag Burning Michael Welch (Ph. D.), Responses to flag burning as a particular form of street protest tend to polarize into two camps one holding the view that action of this sort is constitutionally protected protest the other that it is subversive and criminal activity In this well researched and richly documented volume Welch examines the collision of these ideologies and shows the relevance of sociological concepts to a deeper understanding of such forms of protest In exploring social control of political protest in the United States this volume embarks on an in depth examination of flag desecration and efforts to criminalize that particular form of dissent It seeks to examine the sociological process facilitating the criminalization of protest by attending to moral enterprises civil religion authoritarian aesthetics and the ironic nature of social control Flag burning is a potent symbolic gesture conveying sharp criticism of the state Many American believe that flag desecration emerged initially during the Vietnam War era but the history of this caustic form of protest can be traced to the period leading up to the Civil War The act of torching Old Glory differs qualitatively from other forms of defiance With this distinction in mind attempts to penalize and deter flag desecration transcend the utilitarian function of regulating public protest Despite popular claims that American society is built on genuine consensus the flag burning controversy brings to light the contentious nature of U S democracy and its ambivalence toward free expression The First Amendment of the U S Constitution is often viewed as one of the more unpopular additions to the Bill of Rights One constitutional commentator underscores this point by noting that the First Amendment gives citizens the right to tell people what they do not want to hear Flag Burning is a well written informative volume suitable for courses in deviance social problems social movements mass communication criminology and political science as well as in sociology of law and legal studies **Congressional Record** United States.
