

Mr. Allen Bergeron  
Chairman, Honor Flights Austin  
815-A Brazos Street  
UPS Box 498  
Austin, TX 78701

Oct. 15, 2012

Dear Mr. Bergeron:

I am one of the very favored veterans of the second WW, who was included in the October 8, 2012 Honor Flight from Austin. I am still overwhelmed by the attention and (let's admit it-) pampering that I and the other 100-plus veterans received at the hands of your volunteer staff, including your volunteer guardians, over the past two days. This has been an only-once-in-a-lifetime experience. more than that, it has been a powerful reminder of America's true exceptionality. I personally profited deeply from talking with so many other old soldiers and sailors, each of whom revealed things about our way of life in his or her important way. I feel deeply honored to have been invited on this Honor Flight. I include a contribution, and hope that the next Honor Flight will be as meaningful to another group of vets as this experience has been to me.

Thank you all!

Approximately 4 million U S service members took part in the wars in Afghanistan and Iraq Shortly after troops started returning from their deployments some active duty service members and veterans began experiencing mental health problems Given the stressors associated with war it is not surprising that some service members developed such mental health conditions as posttraumatic stress disorder depression and substance use disorder Subsequent epidemiologic studies conducted on military and veteran populations that served in the operations in Afghanistan and Iraq provided scientific evidence that those who fought were in fact being diagnosed with mental illnesses and experiencing mental health related outcomes in particular suicide at a higher rate than the general population This report provides a comprehensive assessment of the quality capacity and access to mental health care services for veterans who served in the Armed Forces in Operation Enduring Freedom Operation Iraqi Freedom Operation New Dawn It includes an analysis of not only the quality and capacity of mental health care services within the Department of Veterans Affairs but also barriers faced by patients in utilizing those services      Discharge Requirements for Veterans' Benefits President's Commission on Veterans' Pensions (U.S.),1956      The Jewish Veteran ,1978      A Report on Veterans' Benefits in the United States by the President's Commission on Veterans' Pensions President's Commission on Veterans' Pensions (U.S.),1956      **Veterans Administration Program Guide** United States.
