

*It's real and then it's not,
Grief ebbs and flows,
like the tide of life
it comes in and goes,
carrying her breath
back out to the ocean
of God.*

*Take my sadness too, Oh tide,
even if you must come near again at times.
Leave behind, on the ocean's shore of my life
the Sand Dollar memories of love,
the doves of peace inside,
a reminder of a better
place above.*

When a Loved One Dies K. D. Pryor,2011 Brittany France Near the coast A picturesque inn Spectacular scenery Tasty French treats Time off from school Tallis Challinor imagines this as the perfect vacation scenario so when her grandfather suggests that she accompany him to the country of her ancestors she is more than happy to tag along What Tallis doesn't bargain on is another ghostly encounter especially not so soon after she's sealed up a bunch of unruly ghosts on their side of the portal between the human and spirit realms But when she feels the energy radiating from the megalithic standing stones dotting the countryside around Carnac France an energy that feels frighteningly like the power exuding from the portal in her basement back home she has a feeling she might be in trouble And she is right When her grandfather goes missing Tallis leaps into action She calls the only ghostbuster she knows in France and with help on the way she gears up to battle another set of spirits bent on causing destruction Along the way Tallis is forced to examine her life her relationships and her tightly held beliefs about who she is and where she comes from She also has to juggle two impossible males both attractive but annoying both seemingly set on driving her nuts or breaking her heart **Morning session** United States.
