

Mastering the Keys Typing Test 1 (Home row, H, E, L, R)

Directions: Please type the following lines without looking at your fingers or screen. Please use a keyboard cover and prop a sheet of paper on your computer screen. Make sure to use the touch type method, have fingers curved over the keys, and utilize proper posture discussed. Use Calibri, 20 font size and don't worry about line spacing. Please make sure to type your name at the top of your document. Each letter is worth 2 pts. for a total of 100 pts. Unlike the big touch type test that will count 3 times and include all of the keys, this will only cover the above keys and count once. Good luck!
