Then we've got 60 lesson plan templates for you to follow with a double-page layout so that you have plenty of space for all your notes. We've even included some *Further Notes* pages at the back for anything else you need to jot down. Teaching students of any age is both a challenging and daunting prospect. With a well-thought-out lesson plan in place, anticipating the questions you'll face AND the answers, it will be much less daunting and much more exciting. Good luck, Molly.
