level It demonstrates how middle school and high school librarians can create writing centers in their school libraries explains how to assist students through a one on one writing tutorial method and gives students and teachers the tools for learning and understanding the complex art of writing Author Timothy Horan inventor of the School Library Writing Center establishes why school libraries represent the best and most logical places to create writing centers and why school librarians are the natural choice to direct writing center operations He then takes readers through the process of creating a writing center from original conception up through opening day Additional topics covered include how to publicize and grow your School Library Writing Center maintaining your writing center for efficient operation on a daily basis as well as for years to come how to become an effective writing center director and writing tutor the most current technology that can be used to assist in the writing composition and research process and working with English language learner ELL students within your writing center
