

Concept Paper: Bullying

The bill, now a law defines acts of bullying in schools and authorizes these institutions to impose sanctions on student bullies. Bullying is the most common form of violence in schools, not only in elementary and secondary schools but also in tertiary level schools may it be state universities, school foundations or private colleges and universities. Students are ridiculed, taunted, teased, mocked and made fun of by fellow students who think or feel that they can get away with such behavior because they are superior, or great than the students they bully.

Schools and its administrators are always in a dilemma as to they would address bullies in the amp's. In previous news, a student from a very prestigious private school was a victim when a father of a classmate brought a gun in school toted it to a student inside the classroom. This was a very controversial issue that may have somehow hastened the passing of the anti-bullying law. A recent news also tackled about bullying in which a 12 year - old victim committed suicide by hanging herself due to depression from being bullied by her classmates.

It is therefore imperative for schools to come up with programs to promote such law and to make students aware of what they could do about the issue. It is the aim of this research to find out how knowledgeable or to determine the General Santos Doctors' Medical School Foundation Incorporated students' level of awareness about this matter and how they could help deter future bullies. Students' level of awareness will best serve as a basis on the development of possible intervention programs for the institution to prevent their students' sense of security.

Also, this study will answer if what are the common grounds and impacts of bullying among the students of General Santos Doctors' Medical School Foundation Incorporated. Target Respondents: Target respondents of the study are students in college level enrolled at and General Locale: The area of coverage for the study is limited to the college students from General Santos Doctors' Medical School Foundation Incorporated.

CONCEPT PAPER Objectives of the Study: The goal of this study is to investigate the main cause and the impacts of bullying and to know the level of awareness on bullying among the students of General Santos Doctors' Medical School Foundation Inc. , thereby improving the knowledge of students as well as the instructors and administrators of the institution in implementing intervention programs against bullying. The objectives of this study are: 1 .) To know the level of awareness on bullying among the students of General Santos Doctors' Medical School Foundation Inc., .) To empirically investigate the main cause and impact of bullying among the students of General Santos Doctors' Medical School Foundation Inc., 3.) Dan Olweus Vasiliki Artinopoulou, Peter K. Smith, Susan P. Limber, Kyrre Breivik, 2025-03-03 The intellectual and personal history of the late Dan Olweus a pioneer in the field of bullying management and prevention School Bullying and the Legacy of Dan Olweus honours the work and legacy of Dan Olweus a man generally seen as the founding father in the field of bullying management and prevention who initiated a shift in how society educators parents and professionals handle and keep track of the hostility that some children display This book explores how Olweus developed the first widely used questionnaire to survey the issue of bullying and victimisation the Olweus Bullying Questionnaire or OBQ was instrumental in designing the first intervention campaign against school bullying in Norway in the 1980s and developed a multi layered program of intervention the Olweus Bullying Prevention Program OBPP which is used in many countries around the world This book also provides constructive criticisms of his work as well as ways to build on his legacy to reduce the impact of bullying on children and young people Delivering a summative view of his contribution to this research area School Bullying and the Legacy of Dan Olweus discusses topics including Olweus research and practical achievements over three main stages first in Sweden then in Norway and then in later years Uses strengths and limitations of the OBQ and OBPP the views of Olweus on cyberbullying and his influence in Japan and China The definition of bullying bias based bullying and research

challenges around the assessment of interventions The view of the school as a complex adaptive system and the contribution of civil society and of laws and policies against bullying Providing an expansive intellectual and personal history of a leader in the field School Bullying and the Legacy of Dan Olweus is an essential read for all parents educators administrators researchers and professionals seeking to understand and prevent bullying in schools around the world Diversity and Discrimination in Research Organizations Clemens Striebing,Jörg Müller,Martina Schraudner,2022-12-01 The ebook edition of this title is Open Access and freely available to read online Diversity and Discrimination in Research Organizations considers whether and to what extent the social identity of the academic workforce affects their individual integration in research organizations **Principles of Cyberbullying Research** Sheri Bauman,Donna Cross,Jenny Walker,2012-12-20 In 2010 the International Cyberbullying Think Tank was held in order to discuss questions of definition measurement and methodologies related to cyberbullying research The attendees goal was to develop a set of guidelines that current and future researchers could use to improve the quality of their research and advance our understanding of cyberbullying and related issues This book is the product of their meetings and is the first volume to provide researchers with a clear set of principles to inform their work on cyberbullying The contributing authors all participants in the Think Tank review the existing research and theoretical frameworks of cyberbullying before exploring topics such as questions of methodology sampling issues methods employed so far psychometric issues that must be considered ethical considerations and implications for prevention and intervention efforts Researchers as well as practitioners seeking information to inform their prevention and intervention programs will find this to be a timely and essential resource *Girls, Women, and Crime* Meda Chesney-Lind,Lisa Pasko,2013 A compilation of journal articles on the female offender written by leading researchers in the field of criminology and women s studies Reveals the complex worlds females in the criminal justice system must often negotiate **School Security** Paul Timm,2021-04-27 School Security How to Build and Strengthen a School Safety Program Second Edition emphasizes a proactive rather than reactive approach to school security Readers are introduced to basic loss prevention and safety concepts including how to communicate safety information to students and staff how to raise security awareness and how to prepare for emergencies The book discusses how to positively influence student behavior lead staff training programs and write sound security policies This book isn t just for security professionals and will help educators and school administrators without formal security training effectively address school risk As school safety challenges continue to evolve with new daily stories surrounding security lapses lockdowns or violent acts taking place this thoroughly revised edition will help explain how to make educational institutions a safer place to learn Includes new tabletop exercises for managing emergencies Contains coverage of the new risks commonly facing schools today from access control to social media Presents updated school security resources Serves as a comprehensive guide for building an effective security program at little or no cost Covers fundamental CPTED concepts Addresses bullying teen suicide harassment and dating

violence Takes a holistic approach to school security rather than focusing on a particular threat or event **Cyberbullying through the New Media** Peter Smith, Georges Steffgen, 2013-12-04 Cyberbullying is one of the darker and more troubling aspects to the growing accessibility of new media technologies Children in developed countries engage with cyberspace at younger and younger ages and the use of the internet as a means to bully and harass has been greeted with alarm by educationalists parents the media and governments This important new book is the result of a four year international collaboration funded by the EU to better understand how we can cope and confront cyberbullying and how new media technologies can be used to actually support the victims of such abuse The articles initially define the historical and theoretical context to cyberbullying before examining key issues involved in managing this pervasive phenomenon Coverage includes The definition and measurement of cyberbullying The legal challenges in tackling cyberbullying across a number of international contexts The role of mobile phone companies and Internet service providers in monitoring and prevention How the media frame and present the issue and how that influences our understanding How victims can cope with the effects of cyberbullying and the guidelines and advice provided in different countries How cyber bullying can continue from school into further education and the strategies that can be used to prevent it The ways in which accessing youth voice or maximising the contribution of young people themselves to the research process can enhance our understanding The book concludes with practical guidance to help confront the trauma that cyberbullying can cause It will be a valuable resource for researchers students policy makers and administrators with an interest in how children and young people are rendered vulnerable to bullying and harassment through a variety of online channels Detox Your Writing Pat Thomson, Barbara Kamler, 2016-02-26 There are a number of books which aim to help doctoral researchers write the PhD This book offers something different the scholarly detox This is not a faddish alternative it s not extreme It s a moderate approach intended to gently interrupt old ways of doing things and establish new habits and orientations to writing the PhD The book addresses the problems that most doctoral researchers experience at some time during their candidature being unclear about their contribution feeling lost in the literature feeling like an imposter not knowing how to write with authority wanting to edit rather than revise Each chapter addresses a problem suggests an alternative framing and then offers strategies designed to address the real issue Detox Your Writing is intended to be a companionable work book something doctoral researchers can use throughout their doctorate to ask questions about taken for granted ways of writing and reading and to develop new and effective approaches The authors distinctive approach to doctoral writing mobilises the rich traditions of linguistic scholarship as well as the literatures on scholarly identity formation Building on years of expertise they place their emphasis both on tools and techniques as well as the discursive practices of becoming a scholar The authors provide a wide repertoire of strategies that doctoral researchers can select from rather than a linear lock step progression through a set of exercises The book is a toolkit but a far from prescriptive one It shows that there are many routes to developing a personal academic

voice and identity and a well crafted text With points for reflection alongside examples from a broad range of disciplines the book offers thinking tools writing tools linguistic tools and reading tools which are relevant to all stages of doctoral research This practical text can be used in all university doctoral training and composition and writing courses However it is not a dry how to do it manual that ignores debates or focuses solely on the mechanical at the expense of the lived experience of

doctoral research It provides a practical theorised real world guide to postgraduate writing **Kids and Violence**
