For centuries Asia has suffered under the insolence of the White Man, I have myself seen this insolence in ways that made my blood boil and that, if I had been an Asian and not a European would have roused me to fury. This long experience of European domination has naturally produced a mood of resistance, and, as always happens in such cases, there is a danger lest the fight for independence should become a desire for conquest.

- (B) The White Man's insolence has affected both the Europeans and the Asians.
