The Parables Read in the Light of the Present Day Thomas Guthrie, 1866 **Parable Of The Dancing God** C. Baxter Kruger, 1999-09-01 In this brief and easy to read IVP booklet C Baxter Kruger vividly retells the parable of the prodigal son including the full text of Luke 15 1 32 His fresh interpretation focuses not on the prodigal son but on the character of the father as it is revealed through his interaction with his two very different sons Baxter asks you to consider with which son you most identify the dutiful elder brother or the wayward younger brother Then he helps you explore the spiritual implications of that identification Finally he shows you how an examination of the father of the two sons highlights important aspects of God s character rejoicing compassion and more You ll come away from this short but profound study with new insight into the ways God the Father is at work in your own life The Expository Times ,1913 **Rediscovering God's Grand Story** James M. Roseman, 2017-09-15 In the passage to modernity we in the West have lost the ability to see things whole We ve closed our minds to all things transcendent and default to unbelief and can t make sense of the persistent echoes of the voice of God that reverberate in our souls In Rediscovering God s Grand Story James Roseman picks up the strands of science philosophy history the arts and theology and reweaves the tapestry to see a coherent story that makes the best sense of the world and provides real meaning and significance to our lives God s Grand Myth We see that the signals of transcendence that confound our culture of doubt are a universal language and vocabulary of the heart echoing the voice of God and in the very Judeo Christian story we so readily jettison is found the Author enabling us to see the world whole again This essay tells why the story and promise of Christianity is so hard to hear today but won t go away Could it be that as T S Eliot wrote in the mid twentieth century at the end of all our exploring will be to arrive where we started and know the place for the first time *The Expository Times* James Hastings, Ann Wilson Hastings, Edward Hastings, 1913 **The Story of an Earnest Life** Eliza Davies, 1881 An exposition of the Parables Benjamin Keach, 1856 *[Must Read Personalities] A life Story of Henry Viii* InRead Team, 2022-06-05 Description This Book provides a quick glimpse about the life of Henry Viii *[Must Read Personalities] A life Story of Hernan Cortes* InRead Team, 2022-06-05 Description This Book provides a quick glimpse about the life of Hernan Cortes **A Parable of the Dancing God** C. Baxter Kruger, 1995-01-01 **A Theology of Preaching** Richard Lischer, 2001-06-08 Richard Lischer s book is a stirring affirmation of preaching s importance as a major enterprise in its own right It is he writes a theological preface whose aim is to show how theology informs preaching and how preaching as a kerygmatic oral practical activity informs theology and brings it to its final form of expression Dr Lischer points to the historically negative results of preaching s exclusion from theology and then shows the benefits derived from the proper interaction of the two disciplines As he elaborates on this theme he explores the centrality of the Resurrection in both theology and preaching the relation of the law and the gospel and how preaching calls upon theology to recover its oral aural foundation For Lischer the act of preaching is an exercise of the preacher s imagination The real work of imagination is

not inserting clever stories or esthetically pleasing images into the argument of the sermon It is knowing how to read texts in such a way that they will be allowed to function according to their original power and intent

Topical Bible Studies David Lendway,2019-08-19 This book is Volume I of three volumes containing a collection of Bible topics allowing the reader to easily identify and with little or no effort commit to memory exactly what God expects of them from within His written Word Although this will not necessarily bring about the reader's ability to remember precisely where each of these topics appears in the Bible's book chapter and verse it will after reading enough of these topics make their daily Bible reading much easier and so much more enjoyable due to their new found understanding The reader will also discover when studying topic by topic they will remember the subject matter much better than when these particular subjects flew by them at lightning speed while reading along in their Bible These self contained Bible studies work for everyone It doesn't matter where one stands in their faith or how much they know about the Bible these studies will work For those who are well rooted in the Word these studies will work for them as a review those who own an average understanding of God's Word will be able to use these studies not only as a review but also for learning something that God has said and they had previously missed Those who know very little about the Word of God will be able to learn a great deal from these topical studies since they are self contained and require no explanation because all commentary is backed up with book chapter and verse from the inspired Word of God Those who know nothing about the Word and are seeking to learn about God the Father God the Son God the Holy Spirit their salvation and the existence of this spiritual world they have heard so much about will now be able to learn straight from His Word right in the comfort of their living room whatever it is they want to know
