A. Multiple Choice: As this is the first check on reading comprehension for this book, draw students' attention to the labels in the left column next to the questions. In accordance with standardized language tests that students will take in the future, each question has an objective that is identified. Have students read the entire passage silently and then answer the questions. Alternatively, play the audio and have students read along. Check answers as a class, asking students to give evidence for their answers using paragraph references from the passage.

- Question 1: Although page 10 focuses on soccer in Africa, the main idea of the passage is the popularity of the game. The title "The World's Game" and the heading on page 10, "A Love for Soccer," tell us that the passage is about its popularity around the world.
- Question 2: "Camaraderie" is mentioned as team spirit, so option "a" is mentioned in the paragraph.
- Question 5: Although the paragraph implies that young people get better grades in school, the bigger picture is that soccer helps young people in many ways outside of school, too. Young

Linking Picture Book Biographies to National Content Standards Liz Deskins, Christina H. Dorr, 2015-11-23. Presenting beautifully illustrated picture book biographies, this book pairs narrative nonfiction biographies rich in language and illustrations with national content standards in the social studies, science, and the arts. The current focus on promoting nonfiction reading at all ages has brought to attention the value of narrative nonfiction in the form of new picture book biographies. But which of the thousands of these types of titles will have maximum teaching impact and be interesting to students? This book identifies the best of the best in new picture book biographies that are rich in language and illustrations and best support national content standards in science, social studies, and the arts. Written by authors with a combined experience of more than 50 years in teaching as well as extensive knowledge of children's literature and the review of such books, the book provides in a single resource the best in recently published picture book biographies that rely on primary and secondary sources, the best in storytelling styles, and the most engaging illustrations. The unit and lesson ideas within can be used as is or modified as needed. The selected biographies enable connections between the stories of individuals' lives in history and required areas of study.
