Teaching English is a big challenge to the ESL students as well as native speakers Especially making someone read English has always been another big challenge for the teachers It may take years to teach how to read English correctly unless we get an effective way of teaching method After many years of research I could find out an effective way that could help students understand the phonetics easily and read English words effectively in a short period of time I applied this method with my students and the results were tremendous So in order to reduce teachers stress I decided to share my experience through this book

Puzzle Piece Phonics Teacher's Guide Carolyn Banuelos, 2018-04

Welcome to Puzzle Piece Phonics We are very excited to share our love of word study with you We are three teachers who developed this comprehensive resource when we worked together through the transition from the North Carolina Standard Course of Study to the Common Core State Standards CCSS It came about from a moment of near panic when we were sitting at a table in the library after school and it seemed to hit us at the same time how much more the CCSS expected of students We looked at each other and wondered how are we ever going to get our kids from here to there But then we called on our various strengths our creativity our curricular understanding our practicality and our can do personalities and generated Puzzle Piece Phonics
