Canter s life had never been easy but for almost twenty years now while imprisoned in Australia s Freemantle Prison for the
murder of her husband it has at least been predictable and structured When she unexpectedly receives a letter from the High
Court of Britain informing her that she has been cleared of the unlawful murder conviction and is to be immediately released
from prison she doesn t know what to do Her routine life has been upended and the only guidance she is given is to live one
day at a time Frustrated with that advice Joann tries to cope in her old ways She takes matters into her own hands but
quickly finds her old habits do not suit her new situation So having no prospects for employment in Australia she sets sail for
England hoping for a new life in her birth country To her surprise she is accompanied by a new acquaintance Joe Winter
whom she met a few days after her prison release Joe the local mercantile proprietor in Freemantle has been called back to
England on family business Even though his gentle manners and good looks tempt Joann to get to know him better she is
wary of getting too close They have different plans for their lives ones that will keep them far apart So not knowing the
dangers lying ahead of her Joann presses on with her own plans which do not include Joe She only finds out after a
devastating event that God had a different and better plan for her life It was only then she learned that she was freed to live
