Employee Motivation in Saudi Arabia Rodwan Hashim Mohammed Fallatah,Jawad Syed,2017-11-29 This book investigates the relevance of Maslow s hierarchy of needs as a theory of motivation whilst taking into account variances in culture and individual experiences and perspectives Focussing on higher education the book responds to the call for providing alternative conceptual models other than those originating from the Anglo Saxon world The authors take a contextual approach and use the case of Saudi Arabia to understand motivation in a collectivist highly religious and conservative society of the Middle East Providing empirical findings from a study carried out at two Saudi universities differing in their religious outlook this book reveals a hierarchy of needs that is significantly different from the theory proposed by Maslow Religion culture and gender are explored in detail as the authors investigate the relevance of Maslow s theory in a region that is of growing interest to policy makers and practitioners in North America and Europe offering a truly insightful read to an international audience International Business in the Middle East Erdener Kaynak,2015-10-16 No detailed description available for International Business in the Middle East

National Security in Saudi Arabia Anthony H. Cordesman,2005-09-30 With continuing instability in Iraq the threat of a nuclear Iran and the ever present reality of further terrorist attacks within its own borders Saudi Arabia has been forced to make some hard decisions The current structure of the Saudi security apparatus is only one pathway to improved security Economic and demographic threats may well be the hardest hurdles to overcome What has been accomplished since 2001 and what are the real prospects and implications of further reform To what extent should the kingdom continue to rely on the US to protect its interests Cordesman and Obaid argue that it is time to put an end to client and tutorial relations Saudi Arabia must emerge as a true partner This will require the creation of effective Saudi forces for both defense and counterterrorism Saudi Arabia has embarked on a process of political economic and social reforms that reflects a growing understanding by the governing members of the royal family Saudi technocrats and Saudi businessmen that Saudi Arabia must reform and diversify its economy and must create vast numbers of new jobs for its young and growing population There is a similar understanding that economic reform must be combined with some level of political and social reform if Saudi Arabia is to remain stable in the face of change With Gulf security the war on terrorism and the security of some sixty percent of the world s oil reserves at stake the real question is how quickly Saudi Arabia can change and adapt its overall approach to security and how successful it will be in the process *The Complete Idiot's Guide to Getting Government Jobs* The Partnership for Public Svc,2010-05-04 Bail yourself out with employment opportunities In these turbulent times when private corporations are in

trouble the employer that seems to be offering the most stable employment opportunities is the public sector With The Complete Idiot's Guide to Getting Government Jobs readers will learn how to navigate the government application process to find stable employment opportunities available from county municipalities as well as state and federal agencies Includes advice on drafting resumes suited to the specific requirements of the hiring agency How to complete the appropriate application most effectively Methods of marketing an applicant's skills in the government sector Search tools for government job websites

Islamic Entrepreneurship Rasem N. Kayed, M. Kabir Hassan, 2013-12-16 This book discusses the idea that there is a specific Islamic form of entrepreneurship Based on extensive original research amongst small and medium sized enterprises in Saudi Arabia it shows how businesses are started and how they grow in the context of an Islamic economy and society It argues that as specific Islamic approaches to a wide range of economic activities are being formulated and implemented there is indeed a particular Islamic approach to entrepreneurship Examining the relationship between Islamic values and entrepreneurial activity the book considers whether such values can be more effectively used in order to raise the profile of Islamic entrepreneurship and also to promote alternatives to development in the contemporary business environment The book analyses the nature of entrepreneurship and the special qualities of Islamic entrepreneurship and discusses how the Islamic approach to entrepreneurship can be encouraged and developed further still
