**Dear Parents,**

A warm welcome to all our kindergarteners! We hope you had a blast last summer and ready for this year's learning adventure. Kindergarten is a time for children to expand their love of learning, their general knowledge, their ability to get along with others, and their interest in reaching out to the world. Our educational program is set to meet all that and provide a nurturing environment. While kindergarten marks an important transition, it is important that children still get to be children. “Your children are in for a treat!” Kindergarten life is sweet with all the fun and exciting activities. Let's all gear up for a successful year!
