Films guides readers to understand the importance of fostering creativity in the lives of youth It is expected that by teaching students about world films through the eyes of characters that resemble them they will gain insight into cultures that might

be otherwise unknown to them and learn to analyze what they see Teachers can use these films to examine and reflect on differences and commonalities rooted in culture social class gender language religion etc through guided questions for class

discussion The framework of this book is conceived to help teachers develop students ability to evaluate analyze synthesize and interpret The proposed activities seek to incite reflection and creativity in students and can be used as a model for

teachers in designing future lessons on other films What Every School Leader Needs to Know About RTI Margaret Searle,2010-06-18 What is Response to Intervention and why should we care With this question Margaret Searle begins her exploration of the RTI approach to classroom instruction and intervention from her perspective as a seasoned teacher principal and administrator Built on a solid foundation of best practice RTI draws on the strengths and successes that many districts and schools already have in place For the plan to be effective however proactive and consistent leadership is

essential With this in mind Searle outlines the critical roles played by school leaders at each step and offers practical answers to the questions they will likely face Where should I start implementing or improving our RTI plan Where do I find high quality research based interventions What s a pyramid of interventions and what do I put in the tiers How can I help

teachers set and reach student goals How is RTI different from what we've tried before How can we make this whole thing work without going crazy Searle shows how school leaders can use the RTI model to coordinate resources and foster continuous student improvement and achievement This breakthrough approach replaces the old wait to fail mind set with proactive efforts that will support all students in danger of not reaching their potential This is an essential guide for school leaders who want to support focus and sustain their RTI goals and build a culture of data driven decision making
