

Graduation Speech

I began making notes about all the advice I should share with you and about all of the many topics I wanted to cover.

Then a friend reminded me about the fate of the famous Greek philosopher, Socrates, who lived a long, long time ago.

Socrates was very intelligent. But Socrates gave long speeches, and his friends killed him.

Since I am no Socrates . . . nor do I want to end up like Socrates . . . I will be brief and to the point.

Tonight (*number of graduates*) seniors are graduating from (*name of school*) High School. The room is packed with your friends and relatives, and every person here is proud of you . . . of your accomplishments . . . and of the goals that you have reached. If each of us were to write down a definition of a successful graduate, we would quickly discover that some of the same words and phrases would be repeated over and over again. Common themes would be – dedication, perseverance, integrity, honesty, conscientiousness, dependability and hard work.

attitudes for political gain Challenging what we think we know about race and politics LaFleur Stephens Dougan argues that candidates across the racial and political spectrum engage in racial distancing or using negative racial appeals to communicate to racially moderate and conservative whites the overwhelming majority of whites that they will not disrupt the racial status quo *Race to the Bottom* closely examines empirical data on racialized partisan stereotypes to show that engaging in racial distancing through political platforms that do not address the needs of nonwhite communities and charged rhetoric that targets African Americans immigrants and others can be politically advantageous Racialized communication persists as a well worn campaign strategy because it has real electoral value for both white and black politicians seeking to broaden their coalitions Stephens Dougan reveals that claims of racial progress have been overstated as our politicians are incentivized to employ racial prejudices at the expense of the most marginalized in our society **Personality** David G.
