Herschel Ford, 1983 For pastors and Bible students alike here is a compendium of Ford s Simple Sermons that have proved meaningful for so many This book is four volumes of sermons in one **Faith That Sticks** Tricia Goyer, Leslie Nunnery, 2025-03-04 The preteen years are hard for everyone parents and kids Learn how to navigate these years with grace and love More than ever kids are bombarded with messages that threaten their emotional health spiritual growth and faith Parents can feel alone and at a loss as to how to connect with and guide their growing kids Faith That Sticks shares five real life discipleship building blocks for raising preteens The book s five key areas prayer Bible reading family relationships conversation and service provide a clear roadmap for parents who feel overwhelmed or unequipped Using personal stories and examples Tricia and Leslie offer creative and practical ideas and activities that parents caregivers or mentors can implement in each of the five key areas helping them feel more confident in their spiritual roles **The Unitarian Register** , 1925 Women, Sexuality and the Political Power of Pleasure Susie Jolly, Andrea Cornwall, Kate Hawkins, 2013-06-13 This pioneering collection explores the ways in which positive pleasure focused approaches to sexuality can empower women Gender and development has tended to engage with sexuality only in relation to violence and ill health Although this has been hugely important in challenging violence against women over emphasizing these negative aspects has dovetailed with conservative ideologies that associate women s sexualities with danger and fear On the other hand the media the pharmaceutical industry and pornography more broadly celebrate the pleasures of sex in ways that can be just as oppressive often implying that only certain types of people young heterosexual able bodied HIV negative are eligible for sexual pleasure Women Sexuality and the Political Power of Pleasure brings together challenges to these strictures and exclusions from both the South and North of the globe with examples of activism advocacy and programming which use pleasure as an entry point It shows how positive approaches to pleasure and sexuality can enhance equality and empowerment for all **Jewish Education** , 1929 **Pillar of Fire** , 1957
