Read It Forward RIF creates learning opportunities that can be leveraged across the curriculum The program presented here is based on the author s experience with a community RIF project that was a collaborative effort among nine middle school librarians from schools with varying needs and socioeconomic levels This thoroughly practical book takes librarians through the process step by step offering specific examples of what worked and what didn t then showing how the process can be extended to almost any book The author also discusses other aspects of running a successful RIF program such as getting buy in from school administrators the PTA and department chairs so that parents and teachers can collaborate in the experience

**Booklist's 1000 Best Young Adult Books Since 2000** Booklist,2014-05-15 With the explosion in YA publishing it s harder than ever to separate good books from the rest Booklist magazine s editors deep and broad knowledge of the landscape offers indispensable guidance and here they bring together the very best of the best books for young adults published since the start of the 21st century

**Book Wars** John B. Thompson,2021-03-04 This book tells the story of the turbulent decades when the book publishing industry collided with the great technological revolution of our time From the surge of ebooks to the self publishing explosion and the growing popularity of audiobooks Book Wars provides a comprehensive and fine grained account of technological disruption in one of our most important and successful creative industries Like other sectors publishing has been thrown into disarray by the digital revolution The foundation on which this industry had been based for 500 years the packaging and sale of words and images in the form of printed books was called into question by a technological revolution that enabled symbolic content to be stored manipulated and transmitted quickly and cheaply Publishers and retailers found themselves facing a proliferation of new players who were offering new products and services and challenging some of their most deeply held principles and beliefs The old industry was suddenly thrust into the limelight as bitter conflicts erupted between publishers and new entrants including powerful new tech giants who saw the world in very different ways The book wars had begun While ebooks were at the heart of many of these conflicts Thompson argues that the most fundamental consequences lie elsewhere The print on paper book has proven to be a remarkably resilient cultural form but the digital revolution has transformed the industry in other ways spawning new players which now wield unprecedented power and giving rise to an array of new publishing forms Most important of all it has transformed the broader information and communication environment creating new challenges and new opportunities for publishers as they seek to redefine their role in the digital age This unrivalled account of the book publishing industry as it faces its greatest challenge since Gutenberg will be essential reading for anyone interested in books and their future

**(Re)writing History in Byzantium** Panagiotis Manafis,2020-05-12 Scholars have recently begun to study collections of Byzantine historical excerpts as autonomous pieces of literature This book focuses on a series of minor collections that have received little or no scholarly attention including the Epitome of the Seventh Century the Excerpta Anonymi tenth century the Excerpta Salmasiana eighth to eleventh centuries and the Excerpta Planudea thirteenth century Three aspects of these

texts are analysed in detail their method of redaction their literary structure and their cultural and political function Combining codicological literary and political analyses this study contributes to a better understanding of the intertwining of knowledge and power and suggests that these collections of historical excerpts should be seen as a Byzantine way of rewriting history The Open Access version of this book available at <https://www.taylorfrancis.com/books/9780429351020> has been made available under a Creative Commons Attribution Non Commercial No Derivatives 4.0 license
