Reading Lolita in Tehran Azar Nafisi, 2003-12-30 1 NEW YORK TIMES BESTSELLER We all have dreams things we fantasize about doing and generally never get around to This is the story of Azar Nafisi's dream and of the nightmare that made it come true A KIRKUS REVIEWS BEST NONFICTION BOOK OF THE CENTURY For two years before she left Iran in 1997 Nafisi gathered seven young women at her house every Thursday morning to read and discuss forbidden works of Western literature They were all former students whom she had taught at university Some came from conservative and religious families others were progressive and secular several had spent time in jail They were shy and uncomfortable at first unaccustomed to being asked to speak their minds but soon they began to open up and to speak more freely not only about the novels they were reading but also about themselves their dreams and disappointments Their stories intertwined with those they were reading *Pride and Prejudice* *Washington Square* *Daisy Miller* and *Lolita* their *Lolita* as they imagined her in Tehran Nafisi's account flashes back to the early days of the revolution when she first started teaching at the University of Tehran amid the swirl of protests and demonstrations In those frenetic days the students took control of the university expelled faculty members and purged the curriculum When a radical Islamist in Nafisi's class questioned her decision to teach *The Great Gatsby* which he saw as an immoral work that preached falsehoods of the Great Satan she decided to let him put *Gatsby* on trial and stood as the sole witness for the defense Azar Nafisi's luminous tale offers a fascinating portrait of the Iran Iraq war viewed from Tehran and gives us a rare glimpse from the inside of women's lives in revolutionary Iran It is a work of great passion and poetic beauty written with a startlingly original voice

Iranian Women in the Memoir Emira Derbel, 2017-05-11 This book investigates the various reasons behind the elevation of the memoir previously categorized as a marginalized form of life writing that denudes the private space of women especially in Western Asian countries such as Iran Through a comparative investigation of Azar Nafisi's *Reading Lolita in Tehran* and Marjane Satrapi's *Persepolis 1* and *2* the book examines the way both narrative and graphic memoirs offer possibilities for Iranian women to reclaim new territory transgress a post traumatic revolution and reconstruct a new model of womanhood that evades socio political and religious restrictions Exile is conceptualized as empowering rather than a continued status of loss and disillusionment and the liminality of both women writers turns into a space of artistic production The book also resists the New Orientalist scope within which *Reading Lolita in Tehran* more than *Persepolis* has been misread In order to reject these allegations this work sheds light on the representation of Iranian women in *Reading Lolita in Tehran* not as weak victims held captive by a totalitarian version of Islam but as active participants rewriting their stories through the liberating power of the memoir The comparative approach between narrative and comic memoirs is a fruitful way of displaying similar experiences of disillusionment loss return and exile through different techniques The common thread uniting both memoirs is their zeal to reclaim Iranian women's agency and strength over subservience and passivity

Azar Nafisi's *Reading Lolita in Tehran* Gina Santucci Chandler, 2008 Memoir allows the writer to explore their private world publicly and in so doing the memoirist engages the reader in their own internal dialogue thereby making it external The effect of this transaction between reader and writer is perhaps more powerful than any other text for it forces the reader's psyche into the middle of the action connecting the reader writer and text on a profound level We as readers are inevitably intrigued by the psychological connection between the memoirist and the Self the fascinating power of memory and the cultural tendency to desire mental exploration In turn reading a memoir becomes an act of poignant emotional exploration a psychosocial journey a transaction with an intriguing Other It becomes what Nafisi described as a celebration an act of insubordination against the betrayals horrors and infidelities of life 47 The celebration that is memoir makes it perhaps the most uniquely powerful of genres Leaf 40

The Republic of Imagination Azar Nafisi, 2014-10-21 A New York Times bestseller The author of the beloved 1 New York Times bestseller *Reading Lolita in Tehran* returns with the next chapter of her life in books a passionate and deeply moving hymn to America Ten years ago Azar Nafisi electrified readers with her multimillion copy bestseller *Reading Lolita in Tehran* which told the story of how against the backdrop of morality squads and executions she taught *The Great Gatsby* and other classics of English and American literature to her eager students in Iran In this electrifying follow up she argues that fiction is just as threatened and just as invaluable in America today Blending memoir and polemic with close readings of her favorite

novels she describes the unexpected journey that led her to become an American citizen after first dreaming of America as a young girl in Tehran and coming to know the country through its fiction. She urges us to rediscover the America of *The Wonderful Wizard of Oz* and *Adventures of Huckleberry Finn* and challenges us to be truer to the words and spirit of the Founding Fathers who understood that their democratic experiment would never thrive or survive unless they could foster a democratic imagination. Nafisi invites committed readers everywhere to join her as citizens of what she calls the Republic of Imagination, a country with no borders and few restrictions where the only passport to entry is a free mind and a willingness to dream.

Things I've Been Silent about Azar Nafisi, 2008

Azar Nafisi, author of the international bestseller *Reading Lolita in Tehran*, now gives us a stunning personal story of growing up in Iran, memories of her life lived in thrall to a powerful and complex mother.

against the background of a country's political revolution. A girl's pain over family secrets, a young woman's discovery of the power of sensuality in literature, the price a family pays for freedom in a country beset by political upheaval, these and other threads are woven together in this beautiful memoir. Nafisi's intelligent and complicated mother, disappointed in her dreams of leading an important and romantic life, created mesmerising fictions about herself, her family, and her past. But her daughter soon learned that these narratives of triumph hid as much as they revealed. Nafisi's father escaped into narratives of another kind, enchanting his children with classic tales like the *Shahnameh*, the Persian Book of Kings. When her father began to see other women, young Azar began to keep his secrets from her mother. Nafisi's complicity in these childhood dramas ultimately led her to resist remaining silent about other personal as well as political, cultural, and social injustices. Reaching back in time to reflect on other generations in the Nafisi family, *Things I've Been Silent About* is also a powerful historical portrait of a family that spans the many periods of change leading up to the Islamic Revolution of 1978-79. It is finally a deeply personal reflection on women's choices and how Azar Nafisi found the inspiration for a different kind of life. This unforgettable portrait of a woman, a family, and a troubled homeland is a stunning book that readers will embrace as a new triumph from an author who is a modern master of the memoir. Rastegar, 2021-09-07. How apparently positive representations of Muslims in U.S. media cast Muslims as a racial population. Portrayals of Muslims as the beneficiaries of liberal values have contributed to the racialization of Muslims as a risky population since the September 11 attacks. These discourses, which hold up some Muslims as worthy of tolerance or sympathy, reinforce an unstable good Muslim/bad Muslim binary where any Muslim might be moved from one side to the other. In *Tolerance and Risk*, Mitra Rastegar explores these discourses as a component of the racialization of Muslims where Muslims are portrayed as a highly diverse population that nevertheless is seen to contain within it a threat that requires constant vigilance. *Tolerance and Risk* brings together several case studies to examine the interrelation of representations of Muslims abroad and in the United States. These include human interest stories and opinion polls of Muslim Americans, media representations of education activist Malala Yousafzai, LGBTQ activist discourses, local New York controversies surrounding Muslim-led public projects, and social media discourses of the Syrian refugee crisis. *Tolerance and Risk* demonstrates how representations of tolerable or sympathetic Muslims produce them as a population with distinct characteristics, capacities, and risks, and circulate standards by which the trustworthiness or threat of individual Muslims must be assessed. *Tolerance and Risk* examines the ways that discourses of liberal rights, including feminist and LGBTQ rights discourses, are mobilized to racialize Muslims as uncivilized, even as they garner sympathy and identification with some Muslims. **Writing with**
