Bill of Rights Scenarios - Answer Key

Instructions: I will be putting you all into groups of 3. I will assign each member a specific role. You will either act as judge, jury, prosecutor or defendant. Your group will be given a sheet of paper containing scenarios about your constitutional rights. You will determine if the defendant's constitutional rights were violated during their trial and which rights were violated.

Roles:

- Defendant will argue why their rights were violated
 - Prosecutor will argue why their rights were NOT violated
 - Judge will decide whether or not constitutional rights were violated or if the trial is fair and should continue.
-

Scenario #1: Adams v. Williams

"During the early morning hours of October 30, 1966, an individual approached a police officer in a gas station parking lot in Bridgeport, Connecticut, and informed him that another individual in a nearby vehicle was carrying narcotics and had a gun at his waist. The officer approached the vehicle on foot and asked the occupant, Robert Williams, to open the door. When Williams rolled down the window instead, the officer reached into the car and removed a gun from Williams' waistband, though the gun was not visible from outside the vehicle. The officer then arrested Williams for unlawful possession of a firearm and proceeded to search his vehicle, where he found heroin. Williams was convicted in a Connecticut state court of possession of a handgun and heroin."

So was the police officer justified in this search and seizure?

Possible Right Violations: 4th Amendment, no unlawful search or seizure

Judge's Ruling: "Yes. Justice William H. Rehnquist wrote the opinion for the 6-3 majority. The Court held that the informant's tip permitted the officer to approach Williams' car and make a limited search of Williams' waistband for the officer's own protection. The Court further held that the discovery of the weapon gave the officer probable cause to arrest Williams' for illegal possession of a firearm. Because the officer's subsequent search of the vehicle was permissible, the narcotics he discovered were admissible at Williams' trial."
