**Rebel Run** Clarion-Ledger (Jackson, Miss.), 2004 The 2003 Ole Miss Rebels turned in one of the most memorable seasons in the past 30 years capped off with a victory over Oklahoma State in the Cotton Bowl Led by star quarterback Eli Manning David Cutcliffe's team finished the regular season with a 10 3 record and tied for first in the SEC West Division Rebel Run follows Ole Miss from preseason practice through their January trip to Dallas All stories come from the files of The Clarion Ledger Packed with nearly 150 full color photos **Outside Looking in Pete Mitchell, 2006-03 The autobiography of a** struggling musician working over 30 years gigging on the road Life has its price and one way or another we will all have to pay for it On invitation I went to see a famous clairvoyant called Madame Faye Her prediction of the assassination of president J F Kennedy brought her worldwide recognition I was a total sceptic and we had never met before In retrospect everything she told me about my past was true and what is stunning beyond belief is the fact that all the major events in this book were predicted in detail by Madame Faye to me at her house in the summer of 1966 The last thing she said to me was you will be successful with your music but only after a long hazardous journey and you ll have to sacrifice everything for it For most musicians it s usually a case of playing for fun Some play professionally and others make the Big time I take the view that a real musician is rarer still He doesn't play to survive HE SURVIVES TO PLAY My only credentials for having this point of view are some thirty years playing on the pub and club scene and still gigging strong Army Life Albert O. Marshall, 1883 It is also the story of a 20 year old private in the military whose engaging writing belies his age He tells of the battles he fought the games he played of his friends fellow soldiers and officers and of the regiment's activities in Missouri and Arkansas at Vicksburg in Louisiana and on the Texas Gulf Coast It is not a complete story of the 33rd Illinois Infantry Regiment known as the Normal Regiment nor is it a complete roster of regiment members of those killed or wounded
