Till I Found You Michelle Fernandez, 2019-09-03 Julian Booker Cruz, former Navy SEAL, joined an elite security ops agency with one goal in mind: to forget his past. With the overload of work, there's no time for romance, nor does he want it. His rule: don't mix business with pleasure. Until one assignment puts that rule to the test. Chloe Channing is not to discover his undercover role as her protective detail from an unknown psychopath. But as their days pass together in tropical paradise, it becomes difficult to keep his desire from compromising everything. Including her safety. All Chloe wants is to remember, but so much of her memory was lost after her assailant left her unconscious. On a summer trip with friends at her family's estate in the Bahamas, she yearns for the quiet respite from a previous heartbreak and her tortured nightmares. She never expects a man like Julian to help her find emotional peace and physical healing. But as she falls deeper, her flashbacks slowly come together, and they include glimpses of one handsome, mysterious, yet all too familiar face: Julian's. Is Chloe's mind playing tricks on her again, or

has she met this man before Even if Julian could let go and risk it all could he ever forgive himself enough to fall in love again
