St. Vincent de Paul Quarterly , 1904 **Saint Vincent de Paul** F. Forbes, 2014-04-09 The Life of St Vincent de Paul c 1581 1660 His Legacy continues today Written for teens and young adults Excerpt Chapter 5

MISSION WORK THE incident which had given rise to Vincent's first mission at Folleville had never been forgotten by Madame de Gondi. It seemed to her that there was need to multiply such missions among the country poor and no sooner had Vincent returned to her house than she offered him a large sum of money to endow a band of priests who would devote their lives to evangelizing the peasantry on her estates. Vincent was delighted but considering himself unfit to undertake the management of such an enterprise he proposed that it should be put into the hands of the Jesuits or the Oratorians. Madame de Gondi although convinced in her own mind that Vincent alone was the man to carry out the enterprise obediently suggested it to one religious Order after another. In every case some obstacle intervened until the Countess was more than ever persuaded that her first instinct had been right. Knowing Vincent's loyalty to Holy Church and his obedience to authority she determined to have recourse to her brother in law the Archbishop of Paris. An old house called the College des Bons Enfants was at that moment vacant. She asked it of the Archbishop whom she had interested in her scheme and who proposed to Vincent to undertake the foundation. There was no longer room for hesitation the will of God seemed plain indeed. Vincent's love of the poor had been for some time struggling with his humility. The new Congregation was to consist of a few good priests who renouncing all thought of honor and worldly advancement were to devote their lives to preaching in the villages and small towns of France. Their traveling expenses were to be paid from a common fund. They were to spend themselves in the service of their neighbor instructing catechizing and exhorting and they were to take nothing in return for their labors. Nine months of the year were to be given to this kind of work the other three to prayer and preparation. In March 1625 the foundation was made and Vincent de Paul was named the first superior. It was stipulated however that he should remain as he had already promised in the house of the founders a condition which seemed likely to doom the enterprise to failure. Vincent could hardly fail to realize how necessary it was that the superior of a new Congregation should be in residence in his own house but he confided the little company to God and awaited the development of events.

Memoir of St Vincent De Paul St Vincent de Paul,2020-05-04 Excerpt Some account of what befell Father Saint Vincent de Paul Religious of La Trappe with observations made by him when in America where he has spent about ten years with the permission of his Superior in obedience to whose orders he writes the following In 1812 I in company with two other brothers was sent by him to the United States there to found an establishment of our Order We left Bordeaux on the 15th June and on the 6th of the month of August we arrived at Boston We had with us one of our Trappistines whose object was also to found a community with this intention she had preceded her companions but now found herself alone as passports were refused to the other sisters We were welcomed by the worthy Mr Matignon parish priest of the town who coaxed us to remain in the diocese of Bishop Cheverus However as we had received orders to establish ourselves near Baltimore after a few days rest I started for that town alone leaving my brothers and the nun in Boston intending to send for them when I should find a suitable site for the two projected establishments I paid my respects to His Grace the Archbishop of Baltimore who received me kindly but appeared at a loss where to find a site such as we desired After many unsuccessful efforts and researches he established me temporally on a farm belonging to the Society of Jesus of which he was a member until such time as we could procure the sort of place we wanted then as I thought that time might be long in coming I summoned my brothers to me and arranged for a suitable lodging for the nun During our stay a rich man of Baltimore who was once a Protestant and had been converted offered us 2000 acres of land in the mountains of Pensylvania near a river called the Delaware He was even generous enough to offer me the services of his son who was also a recent convert and who came with us to point out the property which however I was not able to inspect thoroughly as I remained there only one day I returned soon after with two young men who were inclined to join our Order They commenced a somewhat rude novitiate for we fasted and kept silence on the way going always on foot for want of money After great suffering from fatigue and heat as it was summer we arrived

at a little town distant about sixty miles from Philadelphia whence we had started on our tour of inspection This little town which was called Milford was quite near to the land that was to be ours Additional Excerpt Still these souls have been created by God and bought by Jesus Christ and the more abandoned and the further from the religion of heaven they seem to be so much the more do they call for our compassion We have succeeded in civilizing many barbarous nations and in rendering them Christian and Catholic we may equally with the help of God bring others to the knowledge of the true religion and since pretended philosophers have abandoned the faith it must according to the divine oracle go to other men If this faith is extinguished for many who have deserved the misfortune in closing their eyes to its light it goes to others who will render themselves worthy by allowing this divine truth to enlighten them Thus faith is never lost if it leaves us it is our own fault
