

Case Summary Assessment Analysis

Literacy Profile | Background Information

Begin reading your Case Study Overview document linked in the assignment. What background factors stand out as important to literacy success? How might you list-sort-categorize them? In other words, generate a list, sort the list into categories, and then label the categories.

Background factors: these are important to note about how this could impact her literacy development.

- Switched schools several times.
- Staying focused
- No comprehensive record of student because of school switching

List: I wanted to list out how I would categorize her area of needs and area of success' to visually see what A would need help with.

Success: blending three phonemes, beginning sound, ending sound

Medial success: blending four phonemes with blend at the end, blending two phonemes with digraph present.

Needs Improvement: four phoneme blends at the beginning, medial sounds (differentiation between vowels)

Spelling Assessment

Score A's spelling sample using the WTW assessment. Take a picture of your scoring and upload it in the box below or attach it to the Canvas assignment as a separate file.

HINT: If you need help with taking screenshots, look back in the Canvas orientation module.

HELP: If you need help or a refresher on how to score a spelling sample, click [here](#).
