### **Cover**

Include your name, title of the book, author, and an illustration of book (can be handmade or printed)

### **Introduction(Paragraph1)**

Thing to include in the introduction:

- The title (underlined) and author of the book
- Why you chose the book
- What kind of story is it? (realistic fiction? Historical fantasy? Historical fiction? Narrative nonfiction? Biography?, etc.)

### **Body (Paragraphs 2-6)**

In this section you want to describe the main parts of a story: theme, setting, plot, and characters. Then you give your opinions about the book.

**The Theme (Paragraph 2)** is the main idea of the story. Some examples might be the importance of friendship or how to be courageous in a difficult situation. Tell what you think the theme is and how you know.

**The Setting(Paragraph 3)** is the time and place of the story. Is it set a long time ago or now? Does it take place in another country or in an imaginary place? How much time passes in the story – a day? a year? A lifetime?

**The Characters (Paragraph 4)** are who the story is about. The main character is called the protagonist. Who are the other important characters? Do they help or hinder the protagonist?

**The Plot (Paragraph 5)** is what happens. You want to tell what the story is mostly about. What is the main event or conflict? What things lead up to it? What happens as a result? How does the story end? (Sometimes you want to avoid telling the ending, or giving away the secret of the story.)

\*Be careful not to re-tell the whole story in detail – you want room in your report to write about other things; instead, just say enough about it so the rest of your report will make sense.\*
