

TELEGRAPH AGENT

PINKERTONS - Ep. 119 - PRE WHITE - 2/26/15

5.

KATE

(smiles)

No idea. Here you go.

(hands him the wallet

and purse)

Go through these. Find out what you can.

(sighs)

I'm going to send some telegrams.

5 INT. TELEGRAPH OFFICE - DAY

5

Kate is at the window of the telegraph office, dictating a telegram to a TELEGRAPH AGENT.

KATE

To Family of Clarissa Kovac, Jefferson City, Missouri STOP From Pinkerton National Detective Agency STOP Regret to inform you of murder of Clarissa Kovac by unknown hand STOP Request presence of next of kin in Kansas City STOP.

When the agent is done writing it down, she nods.

start.

KATE (CONT'D)

Please send the identical telegram to the family of Albert Duquesne in St. Louis, Missouri. Thank you.

TELEGRAPH AGENT

That'll be 20 cents, Mrs. Warne.

ends.

6 INT. DUBOIS HOTEL, SALOON - DAY

6

Will is going through Clarissa's purse, item by item, when SAM DUCKWORTH, 50, a rough and tough, old-school cowboy, comes wandering over.

SAM

Nice purse.

Will says nothing -- just a withering look.

SAM (CONT'D)

You're a Pinkerton, right?

WILL

Yeah. Why?

SAM

Logan told me to talk to you. I'm Sam Duckworth. Chester's brother.

Practice Acting Scripts Actors:

Script Analysis for Actors, Directors, and Designers James Michael Thomas, 2009 Script Analysis specifically for Actors Directors and Designers the only book on this subject that covers the growing area of unconventional plays **Script Analysis for Actors, Directors, and Designers** James Thomas, 2013-10-08 Script Analysis for Actors Directors and Designers teaches the skills of script analysis using a formalist approach that examines the written part of a play to gauge how the play should be performed and designed Treatments of both classic and unconventional plays are combined with clear examples end of chapter questions and stimulating summaries that will allow actors directors and designers to immediately incorporate the concepts and processes into their theatre production work Now thoroughly revised the fifth edition contains a new section on postmodernism and postdramatic methods of script analysis along with additional material for designers

Acting Indie Cynthia Baron, Yannis Tzioumakis, 2020-01-29 This book illustrates the many ways that actors contribute to American independent cinema Analyzing industrial developments it examines the impact of actors as writers directors and producers and as stars able to attract investment and bring visibility to small scale productions Exploring cultural aesthetic factors the book identifies the various traditions that shape narrative designs casting choices and performance styles The book offers a genealogy of industrial and aesthetic practices that connects independent filmmaking in the studio era and the 1960s and 1970s to American independent cinema in its independent indie indie wood and late indie wood forms Chapters on actors involvement in the evolution of American independent cinema as a sector alternate with chapters that show how traditions such as naturalism modernism postmodernism and Third Cinema influence films and performances *Let's Get Real or Let's Not Play* Mahan Khalsa, Randy Illig, 2008-10-30 The new way to transform a sales culture with clarity authenticity and emotional intelligence Too often the sales process is all about fear Customers are afraid that they will be talked into making a mistake salespeople dread being unable to close the deal and make their quotas No one is happy Mahan Khalsa and Randy Illig offer a better way Salespeople they argue do best when they focus 100 percent on helping clients succeed When customers are successful both buyer and seller win When they aren't both lose It's no longer sufficient to get clients to buy a salesperson must also help the client reduce costs increase revenues and improve productivity quality and customer satisfaction This book shares the unique FranklinCovey Sales Performance Group methodology that will help readers Start new business from scratch in a way both salespeople and clients can feel good about Ask hard questions in a soft way Close the deal by opening minds **Actor's Alchemy** Bruce Miller, 2011-02-01 Book An actor's script is both a gold mine and the map to discovering it if properly read a script will reveal its riches to you Unfortunately most actors never learn to efficiently read the map or master how to convert what they find in a script into playable gold Why Because this aspect of the acting process is seldom taught in a simple and tangible way in the classroom or studio Acting can and should be more than guesswork and instinct *Actor's Alchemy Finding the Gold in Your Script* examines the relationship between the script

and what an actor ultimately does on the stage or on screen Here is a straightforward guide filled with useful information to help actors learn to use their scripts in a specific and analytical way to solve the problems of the scene and bring their elusive characters to life In learning how to decipher the script actors will be equipped to make the choices that lead to delivering a gold performance [The Actors' Handbook](#) Marnie Hill,2007 [400+ Interview Questions & Answers For Acting Coach Role](#) CloudRoar Consulting Services,2025-08-15 Prepare for your next career opportunity with this comprehensive guide containing 400 interview questions and answers designed to help you succeed in today s competitive job market This book provides an extensive collection of questions covering technical knowledge practical skills problem solving abilities and workflow optimization making it an indispensable resource for job seekers across industries Whether you are a fresh graduate an experienced professional or someone looking to switch careers this guide equips you with the confidence and knowledge needed to excel in interviews Each question is thoughtfully crafted to reflect real world scenarios and the types of inquiries employers are most likely to ask Detailed answers are provided for every question ensuring you not only understand the correct response but also the reasoning behind it This helps you build a strong foundation in both theory and practical application empowering you to respond effectively during interviews By studying these questions you will improve your critical thinking analytical skills and decision making abilities which are essential for excelling in any professional role The guide covers a wide range of topics relevant to modern workplaces including technical expertise industry best practices problem solving strategies workflow management and communication skills Each section is structured to provide clarity step by step guidance and actionable insights making it easy to focus on your preparation Additionally scenario based questions allow you to practice applying your knowledge in realistic situations ensuring that you can confidently handle complex and unexpected interview questions Designed with job seekers in mind this book emphasizes both knowledge and strategy It helps you understand what interviewers look for how to present your skills effectively and how to demonstrate your value to potential employers Tips on communication problem solving and showcasing your accomplishments are woven throughout the answers allowing you to develop a holistic approach to interview preparation Furthermore this guide is perfect for creating a structured study plan You can divide the questions into categories track your progress and focus on areas where you need improvement The comprehensive nature of the questions ensures that you are prepared for technical assessments behavioral interviews and scenario based discussions By using this book you can reduce anxiety boost confidence and improve your chances of securing your desired position Whether you are preparing for a technical role managerial position or specialized industry specific job this book serves as a one stop resource to help you succeed It is ideal for individuals seeking growth aiming for promotions or exploring new career paths Employers value candidates who are well prepared articulate and demonstrate both technical and soft skills By mastering the questions and answers in this guide you position yourself as a knowledgeable confident and capable candidate Invest in your future and

Open Wounds Martin Kagel, David Z. Saltz, 2022-02-14 This volume collects original essays on Hungarian German playwright and screenwriter George Tabori 1914 2007 and his remarkable contributions to the stage Tabori a Jewish refugee and a truly transnational author was best known for his work in New York theater that irreverently explored the Jewish experience particularly the Holocaust Although his illustrious career spanned a century two continents several languages and a variety of literary genres Tabori s work has received scant attention in American letters in spite of its significance for U S theater and Holocaust studies Until Tabori most dramas about the Holocaust were either rooted in American domestic realism striving to create a strong empathetic connection between the audience and Holocaust victims or featured an unembellished documentary style Tabori staked out a third position beyond realism and documentation The volume brings together the voices of international scholars to provide a comprehensive introduction to Tabori s theater as well as in depth analyses of his work discussing all of his major plays Individual essays address Tabori s postdramatic theater in relation to sacrificial ritual performance studies and post humanist approaches to the contemporary stage as well as performance aspects of his productions questions of ethics and aesthetics raised by his theater and his plays relation to Holocaust representation in popular culture

The Nature of Expertise in Professional Acting Helga Noice, 2013-04-15 For nearly 25 years expertise has been considered an important testing ground for theories of cognition Cognitive scientists have examined experts as diverse as chess masters waiters field hockey players and computer programmers Recently increased attention has been given to the arts including dance music appreciation and performance and literary analysis It is therefore somewhat surprising that except for the authors program of research dating from the late 1980s virtually no studies on the cognitive processes of professional actors can be found in the literature These experts not only routinely memorize hours of verbal material in a very short time but they retrieve it verbatim along with the accompanying gestures movements thoughts and emotions of the characters The mental processes involved in this task constitute the subject of this recent research and are described in detail in this book
