Prada Plan 3:

The Prada Plan 3: Ashley Antoinette, 2013-02-01 Leah has been trying for years to get rid of her competition and all her crazy scheming has finally paid off or so she thinks Now that YaYa is out of the picture she's ready to step into her shoes and have the life she always dreamed of The scars that she earned in the fire almost seem worth it if they mean she'll finally be able to have all the money the family and most importantly to have Indie's love to herself There's only one problem Disaya Morgan isn't dead She survived the fire too and she's healing under the watchful eye of one very powerful woman who's ready to help put YaYa on top With her newfound connections YaYa could have Leah taken out with the snap of her fingers but that's not good enough for her The only way YaYa can battle the demons that are still haunting her is to finish Leah off herself YaYa is out for blood There can only be one winner and these two are on a collision course that could send one of them straight to hell Ashley Antoinette is back and better than ever with the third installment of The Prada Plan series A case of mistaken identity left readers reeling at the end of part 2 but part 3 is a heart pounding saga that will leave you breathless

The Prada Plan 4 Ashley Antoinette, 2014-06-24 The feud between YaYa and Leah has ruined the lives of everyone around them In The Prada Plan 4 the animosity is alive and resentments run deeper than ever Indie has watched YaYa's past destroy the woman he once knew and his patience has run thin After being left at the altar he is heartbroken and confused His quests to save YaYa from herself have failed and he finally decides that it's time to let the love of his life go Her thirst for blood is unquenchable and like a black hole she sucks the life out of everything around her If he doesn't cut his ties he knows that YaYa will cripple him and destroy their family in the process Then he receives a phone call stating that YaYa is in trouble and his entire world crumbles at his feet Who lives and who dies Will YaYa's addiction to Leah stop her from living her happily ever after Will the infamous bad girl Leah ever receive her karma The final book of the Prada Plan series will leave readers breathless as they flip the pages trying to race to the finish Ashley Antoinette is back and better than ever with this sexy street tale

Urbanizing Carescapes of Hong Kong Shu-Mei Huang,2015-06-11 Drawing upon the massive redevelopment catalyzed by the government led urban renewal in Hong Kong in the past two decades Shu Mei Huang recharges the story of post colonial Hong Kong through care displacement and how care is displaced in urban governance Theorizing carescapes as a heuristic device Huang tracks how care is displaced undervalued and even exploited in transforming urban landscape In a rather counter intuitive way *Urbanizing Carescapes of Hong Kong*

Two Systems One City considers the post colonial picturing of One Country Two Systems as insufficient if not misleading in understanding the city of Hong Kong and its changing ties with the world Huang illustrates the way in which each urban citizen is propelled to be a self enterprising subject and local urban initiatives are becoming cross border investments upon global mobility In an era when putatively both the talents and capital are moving toward Asia the book illuminates how dynamism of colonialism is sustained rather than disappears within the two systems in one city
