A Companion to African Rhetoric Segun Ige, Gilbert Motsaathebe, Omedi Ochieng, 2022-09-23 A Companion to African Rhetoric edited by Segun Ige Gilbert Motsaathebe and Omedi Ochieng presents the reader with different perspectives on African rhetoric mostly from Anglophone sub Saharan Africa and the Diaspora The African Afro Caribbean and African American rhetorician contributors conceptualize African rhetoric examine African political rhetoric analyze African rhetoric in literature and address the connection between rhetoric and religion in Africa They argue for a holistic view of rhetoric on the continent

Francophone African Poetry and Drama Richard J. Gray II, 2014-09-23 Scholars examining literature from former French colonies sometimes view it wrongly as simply an outgrowth of colonial literature By suggesting new ways to understand the multiple voices present this book explores how Francophone African poetry and theatre in particular since the 1960s constitute both an organic cultural product and a reflection of the diverse African cultures in which they originate Themes explored in five chapters include the many kinds of African identity formation the resistance to former notions of literary composition as art a remapping of social responsibility and the impact of globalization on Francophone Africa s participation in world economics politics and culture This study highlights the inner workings of Francophone African literature and suggests a canonization of modern Francophone works from a world perspective

Stranger at Home Ashlee Naser, 2011-05 This book is about the poetry vision and deeply inhospitable context of one of South Africa s most talented praise poets The praise poet imbongi is a familiar cultural icon in contemporary South Africa Public events as diverse as presidential inaugurations openings of parliament fashion shows and boxing contests begin with the rousing declamations of charismatic imbongi Yet until the institution of majority rule praise poets who sought to shock their audiences with dangerous truths could claim none of the prestige enjoyed by their present day counterparts Under apartheid many praise poets either ceased to perform or abandoned the imbongi s duty to diagnose and criticize political and social ills There was however one brilliant Xhosa imbongi called David Manisi a poet widely acclaimed in his youth as the successor to the great SEK Mqhayi who refused to capitulate to the ease of silence or complicity As documented by Jeff Opland in *The Dassie* and the Hunter UKZN Press Manisi worked tirelessly and in embattled contexts to address his audiences with demands criticisms and aspirations they frequently misunderstood The author of five volumes of Xhosa poetry and performer of inspired and elegantly crafted izibongo praise poems Manisi saw himself as a man of multiple places allegiances and identities at a time when these markers of self were rigidly policed Manisi s entrance on the local Transkeian poetry scene was legendary He was for a time the most famous poet in Kaiser Mathanzima s court He also wrote the first published poem about Nelson Mandela in 1954 hailing him prophetically as *Gleaming Road* Despite these early accomplishments Manisi ended his career as a lonely performer in American and South African universities He never met Mandela his hero of old Ashlee Naser examines Manisi as an inventive negotiator of rural and urban spaces modernity and tradition performance and publication

the local and the foreign **100 Mandela Moments** Kate Sidley, 2018-06-01 How do you retell the well worn life story of a national icon One way is this a palimpsest of a hundred memories of the great man revolutionary world leader and family figure to celebrate the 100th anniversary of his birth Kate Sidley offers renewed and touching insight into Mandela by retelling humorous heart warming and momentous moments from his life roughly chronologically drawing from his own writing and the memories of contemporaries historians and ordinary people The reading experience is multi varied and complex touching and inspiring like Madiba himself 100 Mandela Moments is divided into sections according to the many roles Mandela played in his lifetime the school boy the student the lawyer the outlaw the prisoner the negotiator the statesman the elder Each story or moment is short and encapsulates something about the man behind the legend and the book can be read cover to cover or dipped into **Madiba A to Z** Danny Schechter, 2013-11-26 From the makers of the major motion picture Mandela Long Walk to Freedom a completely unique biography and thematic telling of the story of Nelson Mandela This book which provided key source material for the film is an unexpurgated collection of the views and opinions of South Africa's first Black president and it draws on Danny Schechter's forty year relationship with Madiba as Nelson Mandela is known in his native South Africa Each chapter of this unique portrait corresponds to a letter of the alphabet and the letters cover major and minor unexpected and fascinating themes in Mandela's life and his impact on others Athlete Bully Comrade Forgiveness Indigenous Jailed Militant and President to name a few The book quotes liberally from Mandela himself his ex wives and other family members global leaders Mandela's cellmates and guards on Robben Island the team behind Mandela Long Walk to Freedom former president F W de Klerk members of the South African Police and his comrades including his successor Thabo Mbeki Madiba A to Z reveals sides of Nelson Mandela that are not often discussed and angles of the anti apartheid movement that most choose to brush under the table in order to focus on the happy ending version of the story As Schechter reports in the book according to Mandela's successor as president of South Africa Thabo Mbeki the fundamental problems of South Africa poverty inequality have remained unchanged since 1994 This is partly because as Schechter writes six months before the 1994 elections when South Africa was being governed jointly by the ANC and the National Party under a Transitional Executive Council TEC there were secret negotiations about the economic future There are many rarely spoken of revelations in Madiba A to Z a book about Mandela's brilliance his courage his tremendous impact in saving his country and its people of all races but one that also shows how far South Africa still has to go

Christian Environmentalism and Human Responsibility in the 21st Century Katherine M. Quinsey, 2023-11-16 Christian Environmentalism and Human Responsibility in the 21st Century comprises original scholarly essays and creative works exploring the implications of Christian environmentalism through literary and cultural criticism and creative reflection The volume draws on a flourishing recent body of Christian ecocriticism and environmental activity incorporating both practical ethics and environmental spirituality but with particular emphasis on the notion of human responsibility It discusses

responsibility in its dual sense as both the recognized cause of environmental destruction and the ethical imperative of accountability to the nonhuman environment The book crosses boundaries between traditional scholarly and creative reflection through a global range of topics African oral tradition Ohio artists off the grid immigrant self metaphors of land and sea iconic writers from Milton to O Connor to Atwood and Indigenous Canadian models for listening to the nonhuman Mother of us all In its incorporation of academic and creative pieces from scholars and creative artists across North America this volume shows how environmental work of its nature and necessity crosses traditional academic and community boundaries In both form and orientation this collection speaks to the most urgent intellectual physical social and spiritual needs of the present day This book will appeal to scholars researchers and upper level students interested in the relationship between religion and environment ethics animal welfare poetry memoir and post secularism Beyond Memory Max

Mojapelo,2008 South Africa possesses one of the richest popular music traditions in the world from marabi to mbaqanga from boeremusiek to bubblegum from kwela to kwaito Yet the risk that future generations of South Africans will not know their musical roots is very real Of all the recordings made here since the 1930s thousands have been lost for ever for the powers that be never deemed them worthy of preservation And if one peruses the books that exist on South African popular music one still finds that their authors have on occasion jumped to conclusions that were not as foregone as they had assumed Yet the fault lies not with them rather in the fact that there has been precious little documentation in South Africa of who played what or who recorded what with whom and when This is true of all music making in this country though it is most striking in the musics of the black communities Beyond Memory Recording the History Moments and Memories of South African Music is an invaluable publication because it offers a first hand account of the South African music scene of the past decades from the pen of a man Max Thamagana Mojapelo who was situated in the very thick of things thanks to his job as a deejay at the South African Broadcasting Corporation This book astonishing for the breadth of its coverage is based on his diaries on interviews he conducted and on numerous other sources and we find in it not only the well known names of recent South African music but a countless host of others whose contribution must be recorded if we and future generations are to gain an accurate picture of South African music history of the late 20th and early 21st centuries *An Annotated*
