## Praying For A Better Day:

**Better Days & Better Ways** Terri Grant, 2019-09-27 This book was written to inspire and uplift others who may face many struggle issues or situations and those who can't find the right words to encourage themselves or pick themselves back up after a certain level of painful experiences through their lifelong journey *Fifty-Three Days of Silence* Nancy

Wilcox, 2007-10 This is a unique book about the tragic fall from health to healing to revival to renewal and love. Some details are given about the wife before her marriage during her marriage and then the conclusion about the mercies of a great God who answered her desperation prayer when healing took place. The intriguing journal is a compilation of emails that were written often to her family, her friends and prayer warriors of her church so they would know how to pray. God answered their prayers. About the Author: Nancy Wilcox was born in Kannapolis, North Carolina in 1943. Her parents were simple hardworking Christians who loved their children and instilled in each of them memorable lessons. Nancy was the last of seven children. God called her to Christian ministry at an early age and she developed multiple skills during those early years. God placed people in her life to strengthen her. She graduated from Mars Hill College in the mountains of North Carolina. She attended Southeastern Baptist Theological Seminary for one year. She taught physical education in Dillon High School in Dillon, South Carolina for 12 years, taught Science, Math and physical education at Corriher Lipe Junior High School for one year and fifth grade elementary school at Curtis Baptist School in Augusta, Georgia for eighteen years. Her final 9 years of education was spent as principal assistant principal of Curtis Baptist School in Augusta, Georgia. **Visions Beyond My**

**Eyes** Oscar Kamazima, 2015-12-27 In Oscar Kamazima's *Visions beyond My Eyes*, poems of life, love and faith come together in forms of creatively placed words to create vivid stories that captivate the reader. This collection of poems encapsulates life-changing events and visions that are hard to understand or move past due to the many obstacles of life. One thing that is highlighted frequently is the word hope and how there is still hope and love within this world even in the midst of the chaos around us. Each individual poem should remind us of a part of reality, especially the events and thoughts that we consistently overlook. Not only does it draw our attention to the everyday moments in life but it reminds us to continue to dream.
