Robert W Walker S:

Official Register of the United States, 1897 **Official Register of the United States** United States. Department of the Interior, 1897 **Williams' Cincinnati (Hamilton County, Ohio) City Directory**, 1875 Mysterious Writers Jean Henry Mead, 2010-07-31

Mystery novels are published in a number of subgenres to satisfy the tastes of every reader. Not only do we have the traditional mystery also known as the cozy there are historicals, suspense and thriller novels, crime, police procedurals, private eyes and senior sleuths also known as geezer lit. Then there are medical thrillers, romantic suspense as well as science fiction mysteries and the niche novels that cover endless subjects. The mystery writers interviewed here have written articles about various aspects of publishing including writing techniques, marketing, promotional advice and their opinions on the current state of the publishing industry. Carolyn Hart, bestselling author of the Henrie O and Death on Demand series, talks about her new protagonist Bailey Ruth Raeburn who returns to earth as a ghost to anonymously solve mysteries. Jeffrey Deaver's varied careers prepared him to write insightful as well as thrilling novels. John Gilstrap explains why some bestselling novelists hold down fulltime jobs and Rick Mofina provides sixteen great tips for writing thriller novels. A number of Canadian and UK authors share their publishing views as well as comparing books from their own countries with those of the U.S. suspense novelist Paul Johnston writes from his native Scotland as well as his home in Greece while Tim Hallinan divides his time between Thailand, Cambodia and southern California writing much of his work in Bangkok. Gillian Phillip writes YA mystery novels from Barbados and her native Scottish highlands and international airline pilot Mark W. Danielson composes his suspense novels during layovers in various parts of the world while S. J. Bolton thrills us with snakes and other creepy creatures in and from the British Isles. English native Carola Dunn writes historical mysteries about her countrymen as does Rhys Bowen who writes about historical English royals. Other historical novelists include Larry Karp who provides us with the history of Ragtime music and the people who made the genre popular during its heyday and Beverle Graves Myers delves into operatic mysteries set in 18th century Venice. The work of several writing teams inhabits this book including Eric Mayer and Mary Reed who pen historical mysteries. Mark and Charlotte Phillips write suspense novels and Morgan St. James and her sister Phyllice Bradner collaborate on humorous mysteries. Jeff Cohen, Tim Maleeny and Carl Brookins also add humor to their mysterious plots so prepare to laugh when you open their books. There are police procedurals, medical thrillers and romantic suspense novelists represented here as well as niche mysteries designed for readers who love dogs, scrapbooking, zoos, the Arizona desert, space shuttles, weight loss clinics, actors, designer gift baskets and other specialty subjects. Nonfiction books about the mystery genre round out this eclectic collection with Edgar winner E. J. Wagner, Agatha winner Chris Roerden, Lee Lofland, Jeffrey Marks and small press publishers Vivian Zabel and Tony Burton. The advice offered here is invaluable to fledgling writers so pull up a comfortable chair and begin the mysterious tour of nearly every subgenre.
