Barker,2016-08-01 The election of Barack Obama as the first African

American President of the United States was an historic event that evoked strong emotional reactions in people across the nation and the world In Obama on Our Minds psychologists studying racism stereotyping ethnic identity sexual orientation and immigration all come together to analyze the enormous impact of Barack Obama s presidency *Beyond Empathy and Inclusion* Mary F. Scudder,2020-09-15 Political theorists often see deliberation understood as communication and debate among citizens as a fundamental act of democratic citizenship In other words the legitimacy of a decision is not simply a function of the number of votes received but the quality of the deliberation that precedes voting Efforts to enhance the quality of deliberation have focused on designing more inclusive deliberative procedures or encouraging citizens to be more internally reflective or empathetic But the adequacy of such efforts remains questionable *Beyond Empathy and Inclusion* aims to better understand the prospects of democracy in a world where citizens are often uninterested or unwilling to engage across social distance and disagreement Specifically the book considers how our practices of listening affect the quality and democratic potential of deliberation Mary F Scudder offers a systematic theory of listening acts to explain the democratic force of listening Modeled after speech act theory Scudder s listening act theory shows how we do something in the act of listening independent of the outcomes of this act In listening to our fellow citizens we recognize their moral equality of voice Being heard by our fellow citizens is what ensures we have a say in the laws to which we are held The book also tackles timely questions regarding the limits of toleration and listening in a democratic society Do we owe listening even to democracy s enemies After all a virtue of democratic citizenship is the ability to resist political movements that seek to destroy democracy Despite these challenges and risks Scudder shows that listening is a key responsibility of democratic citizenship and examines how listening can be used defensively to protect against threats to democracy While listening is admittedly difficult especially in pluralist societies this book investigates how to motivate citizens to listen seriously attentively and humbly even to those with whom they disagree **The Paris Review Book** The Paris Review,2025-08-22 An exciting new anthology from the journal Time magazine called the biggest little magazine in history To commemorate the fiftieth anniversary of the venerable Paris Review Picador is proud to publish a unique anthology based on the themes of modern life Like the work of the writers included this book will inspire a dizzying range of thought and emotion serving as a cumulative and breathtaking mirror to the world we live in To appear Jack Kerouac Norman Mailer Louise Erdrich Jonathan Franzen Gabriel Garc a M rquez William Burroughs Denis Johnson David Foster Wallace Raymond Carver Italo Calvino Grace Paley and many more **Beyond Empathy and Inclusion** Molly Scudder,2020 *Beyond Empathy and Inclusion* examines how to achieve democratic rule in large pluralistic societies where citizens are deeply divided Scudder argues that listening is key in a democracy citizens do not have to agree with their political opponents but they do have to listen to them Being heard is what ensures we have a say in the laws to which we are held While listening is admittedly difficult this book investigates how to motivate citizens to listen seriously attentively and humbly even to those with whom they disagree A

Plain Widow Diane Craver, Molly Ebersol's life changes in a few minutes when an arsonist torches their barn. Her husband Caleb rushes inside the burning barn to save his horses. Although Amish firefighter Jonathan Mast tries to save Caleb, he fails. Suddenly Molly becomes a widow. A month later, an anonymous person gives money to cover the lumber and food expenses for the barn raising. One late night, more money is left for Molly on the porch. The fire investigator wonders if the arsonist feels guilt about Caleb's death and is responsible for the money gifts. During the continued investigation, it's learned that Caleb had secrets he kept from Molly. She is crushed by what Caleb did before meeting her. How could the love of her life keep his English past from her? Her new neighbor Jonathan helps her to make the difficult transition from wife to widow. Although Molly develops feelings for Jonathan, can she ever trust him to be truthful to her? She isn't sure she can fall in love again. Her trust in relationships is shattered because of Caleb's past actions. *The Virginia Quarterly Review*, 2008 **Life**

between the Keys The 5 Browns, 2009-03-01 The 5 Browns are a classical music ensemble of three sisters and two brothers: Desirae, Deondra, Melody, Gregory, and Ryan, who perform and record works on five grand pianos. They were the first family of five siblings to enroll simultaneously at New York's performing arts conservatory, Juilliard, in the school's 100-year history. With sold-out concerts and screaming fans, The 5 Browns have redefined what it means to be classical musicians. Featuring personal essays from all five siblings, *Life between the Keys* chronicles their journey from obscurity to stardom, from childhood piano competitions to cutthroat practice rooms at Juilliard and wide acclaim on the international stage. In their own words, these charming, warm, and funny siblings reveal their impressions and memories of living a musical life. *Amish Baby Snatched* Diane Craver, 2021-02-05 When the two young women from completely different worlds forge a friendship, they don't realize what tragic events will alter their bond. Instead of going backpacking in Europe for the summer, pregnant eighteen-year-old Chloe Parrish ends up in Fields Corner. Her parents send her there to work in her aunt's restaurant. Chloe's parents and her boyfriend Logan want her to consider adoption. Amish and happily married Beth Byler is pregnant with her first baby. When she sees how sad Chloe seems at the doctor's office, Beth asks if everything is okay. Although they come from different backgrounds, their pregnancies give them something to share, and they become friends. During their prenatal visits, Chloe and Beth meet a new obstetrician, Dr. Tony Cunningham. He becomes interested in the lovely Chloe. Tony and Chloe find themselves at crossroads in their lives: she's torn about what to do about her baby, and Tony isn't sure he wants to do Amish home births. After a baby is kidnapped, anger explodes between Beth and Chloe. Can both women recover from a heartbreaking situation and trust God still knows what is best for them? **The Path Made Clear** Oprah Winfrey, 2019-03-26 Everyone has a purpose. And according to Oprah Winfrey, your real job in life is to figure out as soon as possible what that is: who you are meant to be and begin to honor your calling in the best way possible. That journey starts right here. In her latest book, *The Path Made Clear*, Oprah shares what she sees as a guide for activating your deepest vision of yourself, offering the framework for creating not just a life of success but one of significance. The book's ten chapters are organized to help you

recognize the important milestones along the road to self discovery laying out what you really need in order to achieve personal contentment and what life's detours are there to teach us Oprah opens each chapter by sharing her own key lessons and the personal stories that helped set the course for her best life She then brings together wisdom and insights from luminaries in a wide array of fields inspiring readers to consider what they're meant to do in the world and how to pursue it with passion and focus Renowned figures such as Eckhart Tolle Brene Brown Lin Manuel Miranda Elizabeth Gilbert Jay Z and Ellen DeGeneres share the greatest lessons from their own journeys toward a life filled with purpose Paired with over 100 awe inspiring photographs to help illuminate the wisdom of these messages The Path Made Clear provides readers with a beautiful resource for achieving a life lived in service of your calling whatever it may be

The Vulnerable Empowered Woman Tasha N. Dubriwny, 2012-11-14 The feminist women's health movement of the 1960s and 1970s is credited with creating significant changes in the healthcare industry and bringing women's health issues to public attention Decades later women's health issues are more visible than ever before but that visibility is made possible by a process of depoliticization The Vulnerable Empowered Woman assesses the state of women's healthcare today by analyzing popular media representations television print newspapers websites advertisements blogs and memoirs in order to understand the ways in which breast cancer postpartum depression and cervical cancer are discussed in American public life From narratives about prophylactic mastectomies to young girls receiving a vaccine for sexually transmitted disease the representations of women's health today form a single restrictive identity the vulnerable empowered woman This identity defuses feminist notions of collective empowerment and social change by drawing from both postfeminist and neoliberal ideologies The woman is vulnerable because of her very femininity and is empowered not to change the world but to choose from among a limited set of medical treatments The media's depiction of the vulnerable empowered woman's relationship with biomedicine promotes traditional gender roles and affirms women's unquestioning reliance on medical science for empowerment The book concludes with a call to repoliticize women's health through narratives that can help us imagine women and their relationship to medicine differently

[Gender and Sexuality in Star Trek](#) David Greven, 2014-01-10 Studying the Star Trek myth from the original 1960s series to the 2009 franchise reboot film this book challenges frequent accusations that the Star Trek saga refuses to represent queer sexuality Arguing that Star Trek speaks to queer audiences through subtle yet provocative allegorical narratives the analysis pays close attention to representations of gender race and sexuality to develop an understanding of the franchise's queer sensibility Topics include the 1960s original's deconstruction of the male gaze and the traditional assumptions of male visual mastery constructions of femininity in Star Trek Voyager particularly in the relationship between Captain Janeway and Seven of Nine and the ways in which Star Trek Enterprise's adoption of neoconservative politics may have led to its commercial and aesthetic failure

Culture of Corruption Michelle Malkin, 2010-08-09 Barack Obama's approval ratings are at an all time low A recent Gallup poll found that half of the

Americans polled said Obama did not deserve a second term Weary of the corruption that gushes from the White House faster than a Gulf Coast oil spill voters are ready to put a cap on smear campaigns pay to play schemes recess appointments and Chicago politics In the updated paperback edition of her 1 New York Times bestselling book *Culture of Corruption* Obama and His Team of Tax Cheats Crooks and Cronies Michelle Malkin says I told you so citing a new host of examples of Obama's broken promises and brass knuckled Chicago way

Now You See Her Anne Crémieux, 2023-03-13 Over the past thirty years queer women have been coming out of the media closet to enter the mainstream consciousness This book explores the rise of lesbian visibility since the 1990s with in depth historical analyses of representation in sports music photography comics television and cinema Each chapter is complemented by an interview soccer player and coach Saskia Webber singer songwriter Gretchen Phillips photographer Lola Flash cartoonist Alison Bechdel and filmmakers Jamie Babbit and Anna Margarita Albelo discuss the societal transformations that shaped their careers From the riot grrrl movement of the early 1990s punk scene to screen representations of queer culture *The L Word* *Orange Is the New Black* this book discusses how lesbian presence successfully infiltrated several patriarchal strongholds and was transformed in return

The Long Game Dorie Clark, 2021-09-21 A Wall Street Journal Bestseller Your personal goals need a long term strategy It's no secret that we're pushed to the limit Today's professionals feel rushed overwhelmed and perennially behind So we keep our heads down focused on the next thing and the next without a moment to breathe How can we break out of this endless cycle and create the kind of interesting meaningful lives we all seek Just as CEOs who optimize for quarterly profits often fail to make the strategic investments necessary for long term growth the same is true in our own personal and professional lives We need to reorient ourselves to see the big picture so we can tap into the power of small changes that made today will have an enormous and disproportionate impact on our future success We need to start playing *The Long Game* As top business thinker and Duke University professor Dorie Clark explains we all know intellectually that lasting success takes persistence and effort And yet so much of the relentless pressure in our culture pushes us toward doing what's easy what's guaranteed or what looks glamorous in the moment In *The Long Game* she argues for a different path It's about doing small things over time to achieve our goals and being willing to keep at them even when they seem pointless boring or hard In *The Long Game* Clark shares unique principles and frameworks you can apply to your specific situation as well as vivid stories from her own career and other professionals' experiences Everyone is allotted the same twenty-four hours but with the right strategies you can leverage those hours in more efficient and powerful ways than you ever imagined It's never an overnight process but the long term payoff is immense to finally break out of the frenetic day-to-day routine and transform your life and your career
