Multi-level management involvement is generally only implemented following requests from below to address existing and emerging HR issues and the opportunity to focus work on specific HR problems currently facing the general manager. Encouraging and protecting the general manager's discretionary efforts and involvement in HR issues is imperative for the organization's success, and the senior management needs to understand that the senior management's role is to focus on setting strategy, planning and vision about general HR issues that impact the firm. The organization must also encourage employee involvement.
