65 Plus, Is My Ministry Over? Harris Lidstrand, 2004-08 65 plus has been born out of a burden for ministers primarily and all Christian workers collectively who have reached their golden years of service to the Lord Too often the attitude is that they are no longer useful in the Kingdom of God just because of age when actually the age of wisdom to which they have excelled can be put to very profitable use in all of the churches of America Industry has found this to be true and I believe the time has come for a voice to be heard in favor of using this tremendous resource in today's religious community It does not matter the denominational affiliation The value of the years of experience in serving mankind with love and compassion transcends all barriers that once were so important to our value system God looks at the big picture In the last ten to twenty years most denominations have learned the power of unity and have joined ecumenical venues to spread the gospel in the fastest way possible to the ends of the earth thus fulfilling the great commission of our Lord in our generation Family
