China's ideologically highly restricted social environment by empowering people with individual choice change and social mobility must struggle and compromise with the reality specifically the values and problems emerging in a transitional China. The book also examines how the representation of romantic love celebrates ideals individual freedom passion and gender equality and promises changes based on individual diligence and talent while simultaneously obstructing the fulfillment of these ideals.

Encyclopedia of Romance Fiction Kristin Ramsdell, 2018-09-07 As the first encyclopedia solely devoted to the popular romance fiction genre this resource provides a wealth of information on all aspects of the subject. Romance fiction accounts for a large share of book sales each year and contrary to popular belief not all of its readers are women; roughly 16 percent are men. This enormously popular genre continues to captivate people reading for pleasure and it also commands a growing amount of academic interest. Included are alphabetically arranged reference entries on significant authors along with works, themes and other topics. The articles are written by scholars, librarians and industry professionals with a deep knowledge of the genre and so provide a thorough understanding of the subject. An index provides easy access to information within the entries and bibliographies at the end of each entry, a general bibliography and a suggested romance reading list allow for further study of the genre.

Beyond Her Touch: A Viking Time Travel Romance (Book 1) pdmac, 2020-03-09 Imagine finding the love of your life only to lose him 1000 years ago. Nordic professor Erik Jonsson lived a life of dull routine, predictable, consistent and alone. That was until Tone Thorgildsdottir showed up in class, awakening long dormant passions. Tone captures Erik's heart, unleashing a craving and desire he'd never felt before. A winning Time Travel lottery ticket adds to the excitement and the two lovers decide to head back to the time of King Alfred the Great and find a priest to officiate their marriage. Unfortunately, a glitch in the Time Machine sends them back a hundred years earlier to Lindisfarne just as Vikings attack the monastery. In the ensuing confusion and battle, Eric is left behind. Now Tone must find a way to go back in time to rescue him, that is, if he's still alive.

The Routledge Companion to Romantic Love Ann Brooks, 2021-11-29 The Routledge Companion to Romantic Love is a multidisciplinary and interdisciplinary reference work essential for students and researchers interested in the field of love, romance and popular romance fiction. This first of its kind volume illustrates the broad and interdisciplinary nature of love studies. International contributors, including leaders in their field, reflect a range of perspectives from cultural studies, history, literature, popular romance studies, American studies, sociology and gender studies. Comprising over 30 chapters by a team of international contributors, the Companion is divided into 12 parts: Love, romance and historical and social change; Love and feminist discourses; Love and popular romance fiction; Love, gender and sexuality; Romancing Australia; South and Southeast Asian romance communities; Nation, place and identity in US popular romance novels; Romantic love and national identity in Chinese and Taiwanese discourses of love; Muslim and Middle Eastern romances; Discourses of romance fiction and technologies of power; Writing love and romance; Legal and theological fiction and sexual politics.
