Dear Ms. Boone,

As a Certified Special Education Instructor with over 9 years of experience in childhood program administration and special education teaching, I'm confident that my background aligns perfectly with the Special Education Teacher opening at Mountainridge Charter School.

Throughout my teaching career, I've been acknowledged for designing and implementing interactive lessons by employing manipulatives and IEPs to target the individual needs of special education students. In my current role as Special Education Teacher for Woodlawn Community School, I teach an emotionally impaired class consisting of 20 students while working closely with other instructors to plan a curriculum that adheres to IEP standards. Please consider the following highlights of my career:

- Developed 12 educational, enrichment, and skill-based programs for diverse learners
- Contributed to the continuous improvement of four programs by analyzing students' skills and interests and revamping programs accordingly
- Hold a Bachelor's degree in Special Education along with certifications in Childhood Education and Students with Disabilities
