The National Skills Development Handbook 2007/8 ,200?

Project Management of Large Software-Intensive

Systems Marvin Gechman,2019-03-11 The book describes how to manage and successfully deliver large complex and expensive systems that can be composed of millions of line of software code being developed by numerous groups throughout the globe that interface with many hardware items being developed by geographically dispersed companies where the system also includes people policies constraints regulations and a myriad of other factors It focuses on how to seamlessly integrate systems satisfy the customer s requirements and deliver within the budget and on time The guide is essentially a shopping list of all the activities that could be conducted with tailoring guidelines to meet the needs of each project Broad-based BEE Vuyo Jack,Kyle Harris,2007 In this guidebook Vuyo Jack combines legislative summary accounting detail and historical context He analyzes South Africa s numerous Codes of Good Practice and their subsidiary statements enacted to promote black business empowerment and explains them in considerable detail He provides context for understanding the Black Economic Empowerment codes and sample scorecards for various aspects of compliance Yet this straightforward accounting manual treatment of the codes is frequently interrupted by his personal opinions judgments or remembrances The author becomes an advocate for a viewpoint rather than a dispassionate reporter on the contents of the code Readers who are accustomed to more hands off reporting may wonder whether Jack s advocacy compromises or shades his approach to the bare facts Nevertheless getAbstract recommends his thorough explanation to companies working in South Africa
