Seal Team 13:

SEAL Team 13 Evan Currie, 2013 It's been ten years since a mysterious horrific incident in the South China Sea annihilated a US Navy destroyer and its Navy SEAL team. Only one man survived. Now the US Navy is determined to put a stop to the new frightening incidents taking place with alarming frequency. Enter SEAL Team 13, an elite group of soldiers led by sole survivor Harold Hawk Masters. Everyone on the team has survived contact with supernatural forces from the other side. Will their camaraderie and duty to country be enough to defeat the malevolent undead forces threatening the country? From world building author Evan Currie, SEAL Team 13 is a dark, riveting and action-packed tale of military intrigue and supernatural horror. **Seal Team Seven 13: Bloodstorm** Keith Douglass, 2001-03-01 More information to be announced soon on this forthcoming title from Penguin USA. **U.S. Navy SEALs** Thomas Streissguth, 1995-09 Traces the history of this special forces unit, the training its members must undergo, and its deployment in modern conflicts. **The Element of Surprise** Darryl Young, 2011-02-16 It used to be said that the night belonged to Charlie. But that wasn't true where SEALs patrolled. For six months in 1970, fourteen men in Juliett Platoon of the Navy's SEAL Team One, including the author, carried out over a hundred missions in the Mekong Delta without a single platoon fatality. Their primary mission: kidnap enemy soldiers alive for interrogation. **The Hardest Place** Wesley Morgan, 2022-03-01 COLBY AWARD WINNER. One of the most important books to come out of the Afghanistan war. Foreign Policy. A saga of courage and futility, of valor and error and heartbreak. Rick Atkinson, author of the Liberation Trilogy and The British Are Coming. Of the many battlefields on which US troops and intelligence operatives fought in Afghanistan, one remote corner of the country stands as a microcosm of the American campaign: the Pech and its tributary valleys in Kunar and Nuristan. The area's rugged, steep terrain and thick forests made it a natural hiding spot for local insurgents and international terrorists alike, and it came to represent both the valor and futility of America's two-decade-long Afghan war. Drawing on reporting trips, hundreds of interviews, and documentary research, Wesley Morgan reveals the history of the war in this iconic region, captures the culture and reality of the conflict through both American and Afghan eyes, and reports on the snowballing missteps, some kept secret from even the troops fighting there, that doomed the American mission. The Hardest Place is the story of one of the twenty-first century's most unforgiving battlefields and a portrait of the American military that fought there. **Spy Special Ops** Elsie Olson, 2024-08-01 How does the military complete dangerous covert missions? In this title, readers will learn about the different special operation forces, how they are trained, the missions they have undertaken in history, and what special ops may look like in the future. Readers can also practice tactics used by special ops forces. Aligned to Common Core Standards and correlated to state standards. River Warfare in Vietnam Robin L. Rielly, 2024-02-19

America s entrance into the wars in Vietnam came as a result of several factors Among them was the necessity of bolstering French influence in the area in the face of mounting communist expansion This expansion was intensified by the outbreak of the Korean War making it necessary for the United States to revamp its Southeast Asian policy During the French era control of Vietnam s rivers streams and canals became necessary This led various factions to develop specialized military units heavily dependent on new types of river craft that could traverse the myriad waterways in Vietnam The focal point of this

study is a new assessment of the conduct of river warfare Drawing on little known French Vietnamese and American sources and materials it sheds light on an important aspect of the Vietnam War Chapters also detail numerous aspects of river warfare not generally covered in other books on the subject **Fighting Elites** John C.
